Together we
shall rejoice
through all
the seasons!

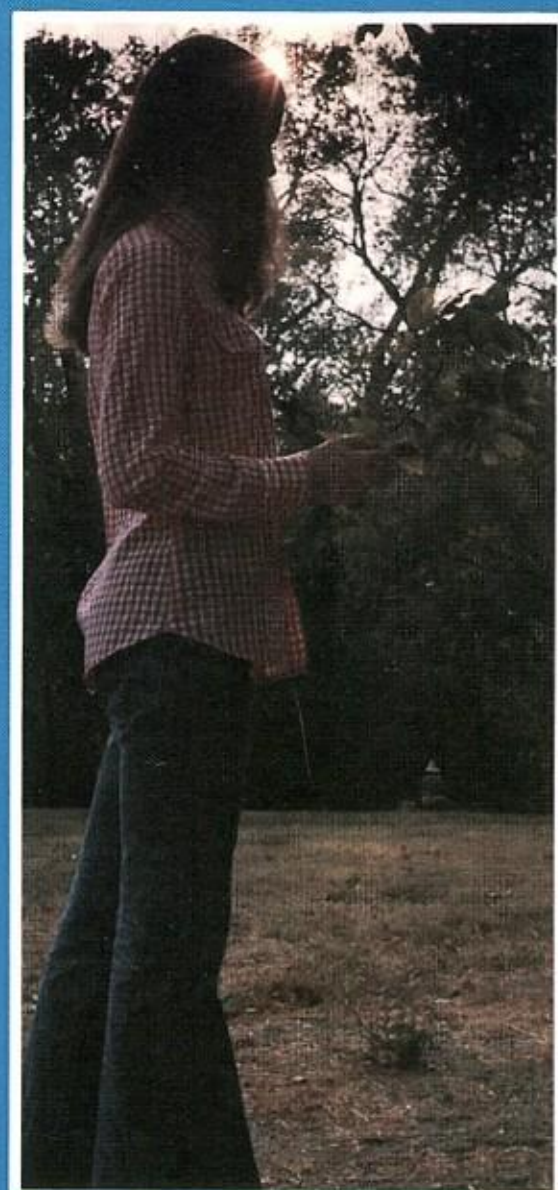

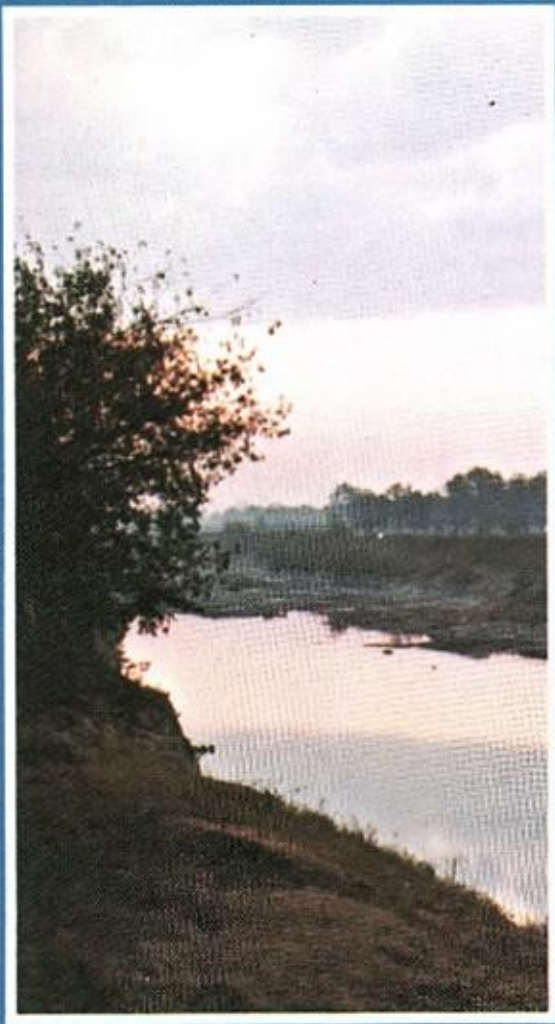

Hard times brought tears, but looking back brings tears of joy. By sticking together through our defeat and winning, we were able to make each moment something to live by. But our happy times we shall remember most because we rejoiced together.

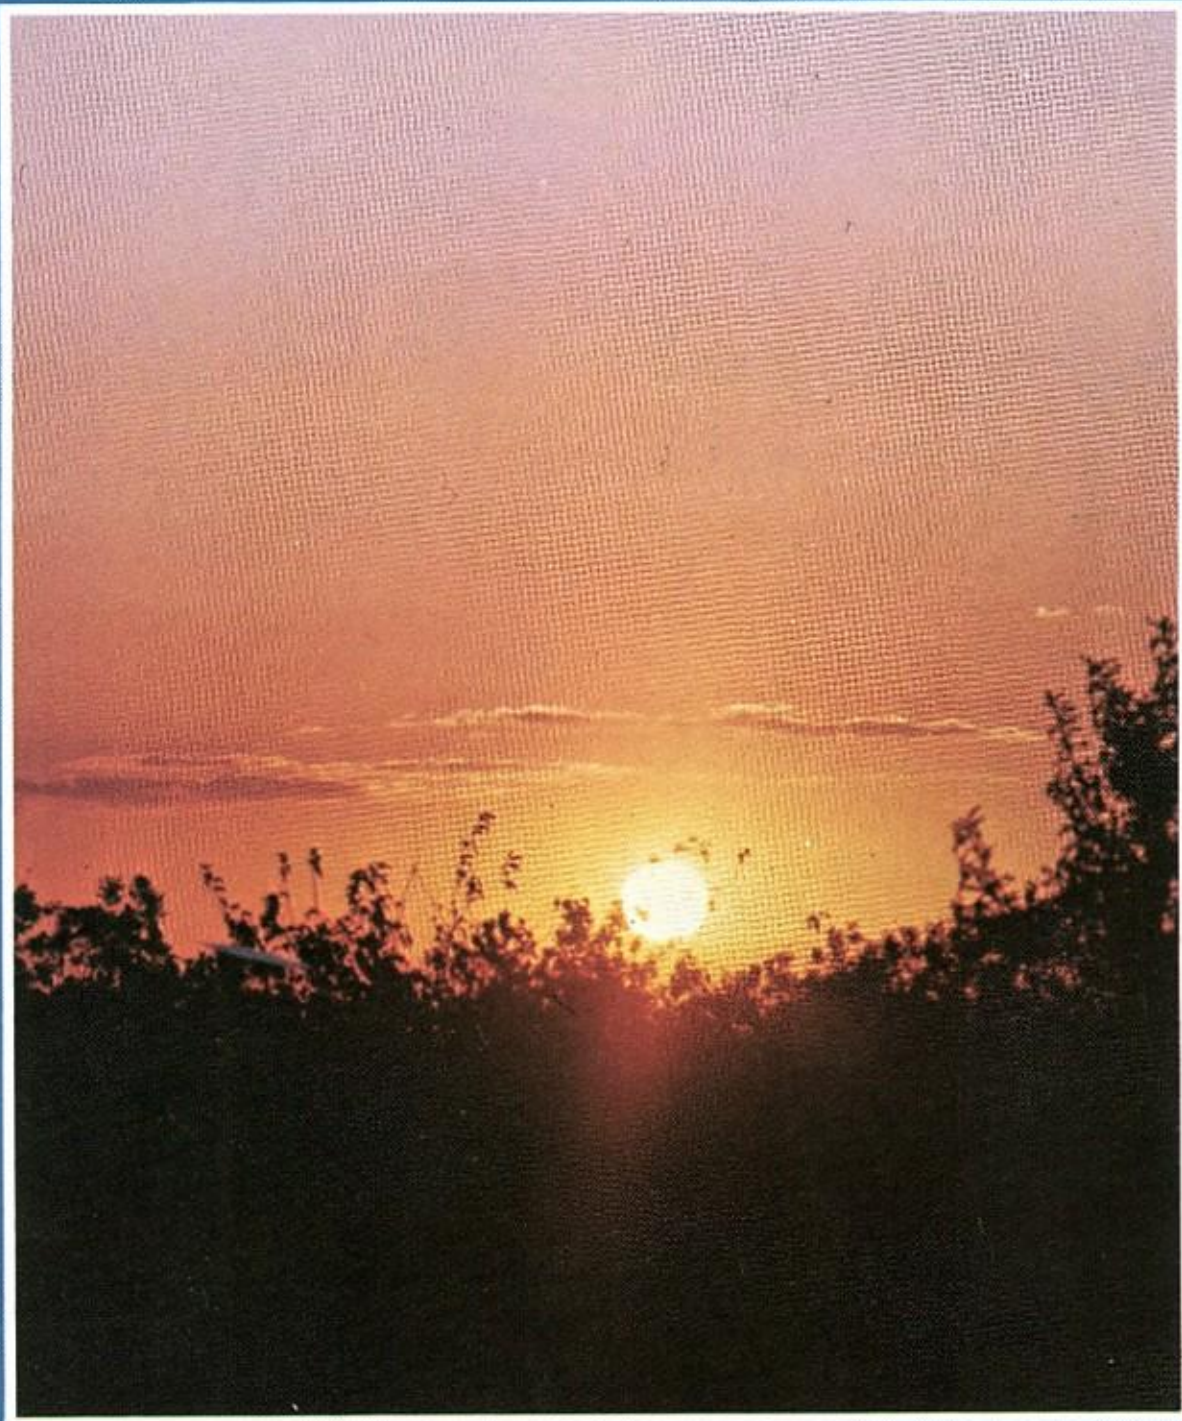

For the breath
of life is in
the sunlight
and the hand
of life is in
the wind.

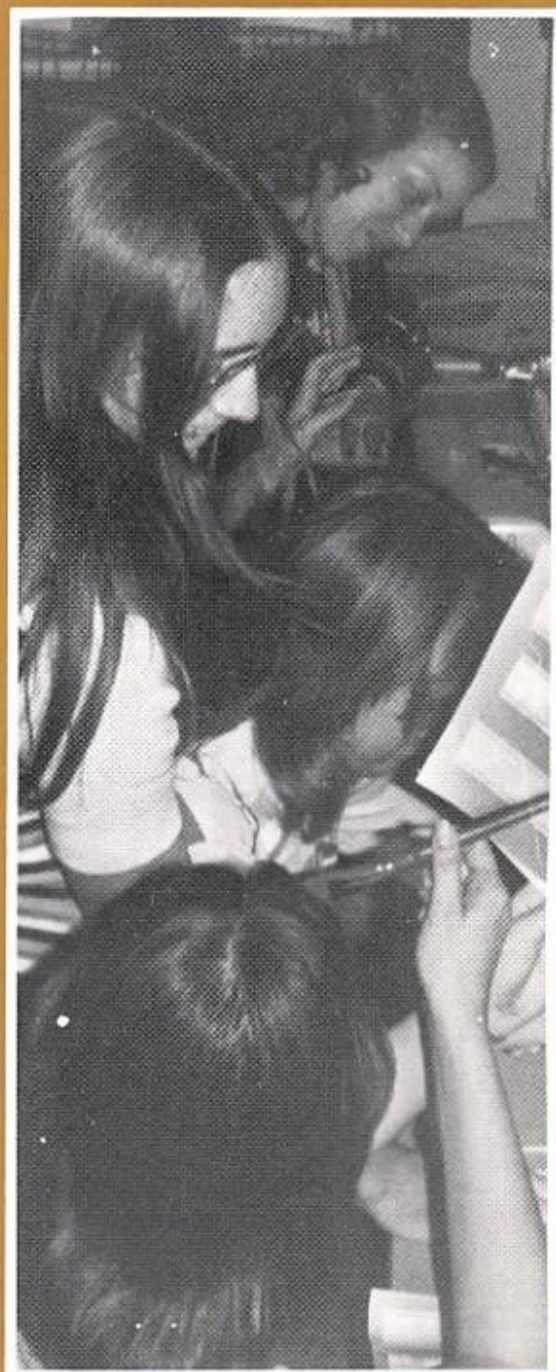

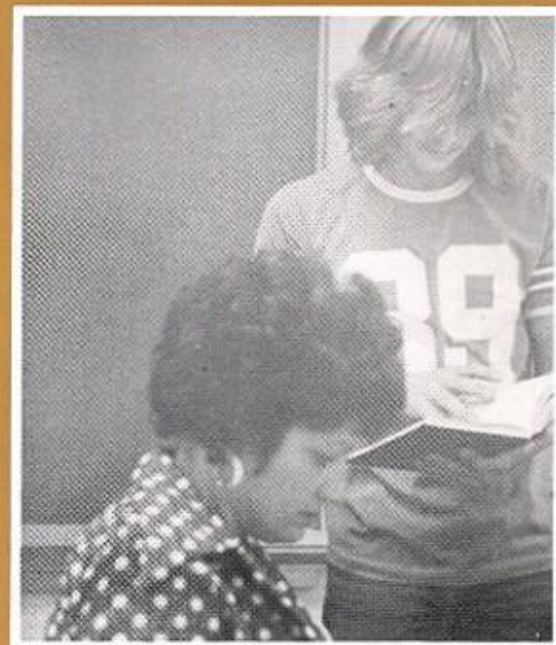

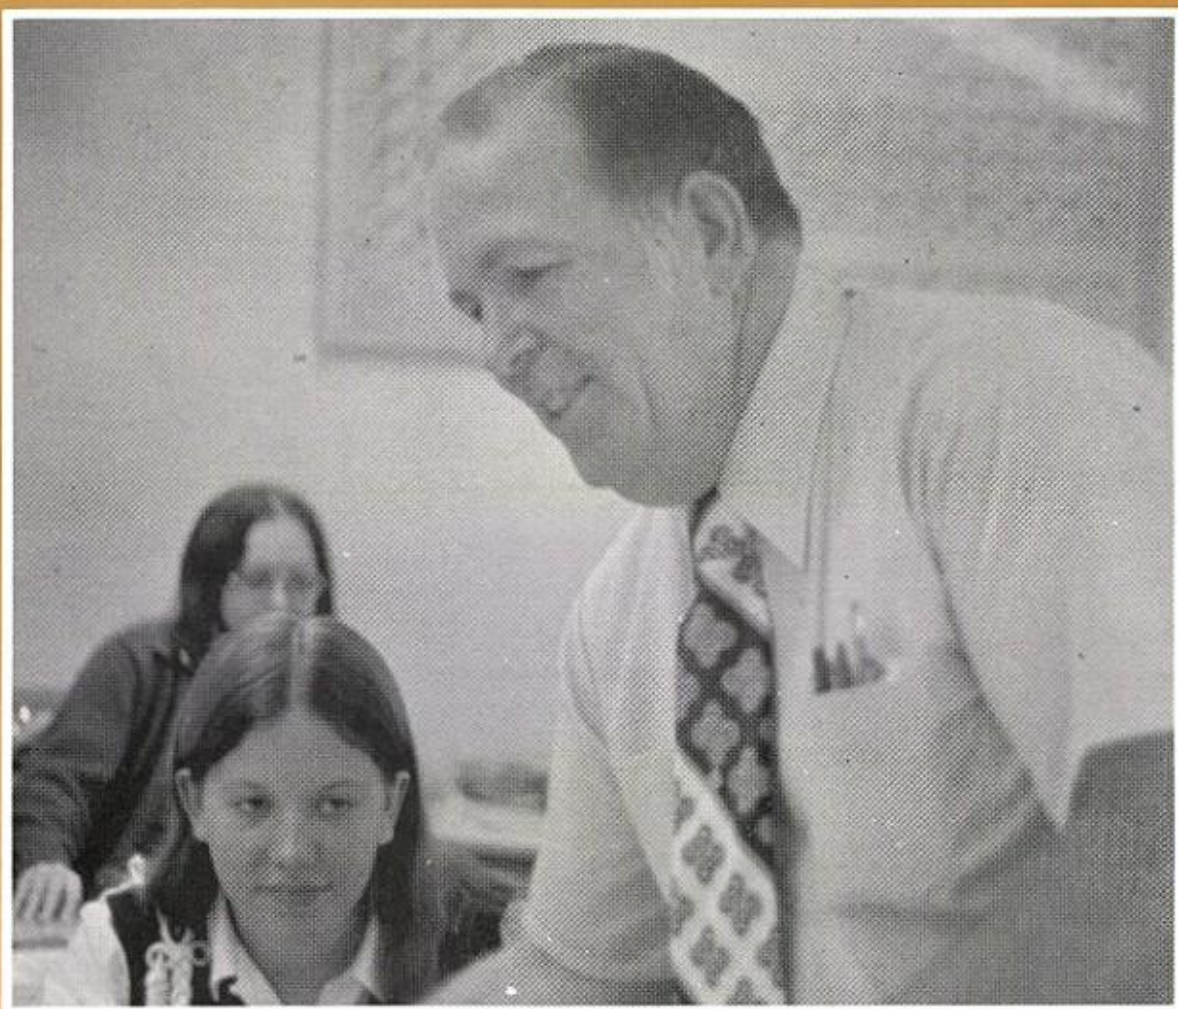

Life is the most important thing in the world and to preserve it, there must be knowledge. We obtain this knowledge through our life at school in order to live a more abundant and satisfying life.

Work is love
made visible.

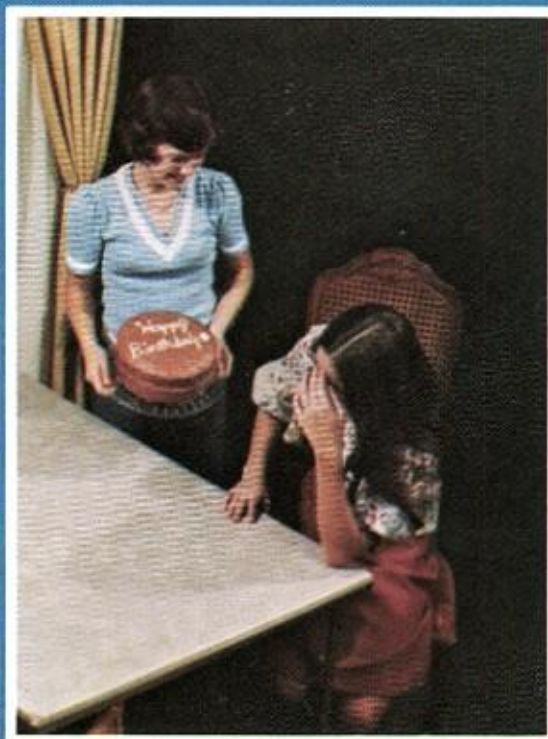

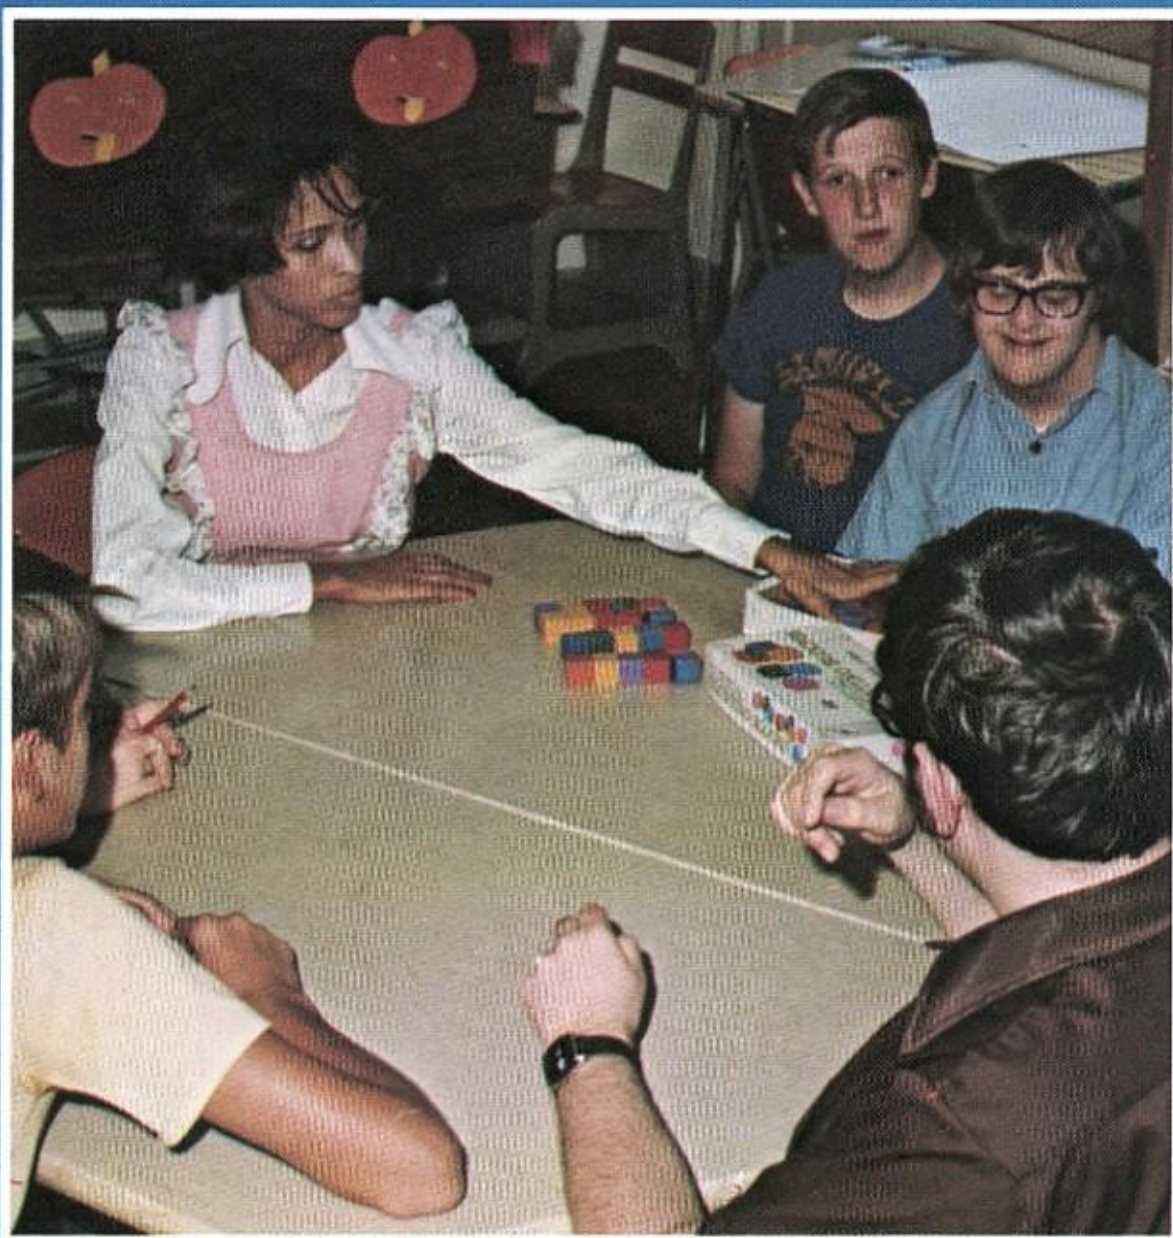

Working together brings the satisfaction of accomplishment and also the love we share. This love is shown by the way we participate with one another.

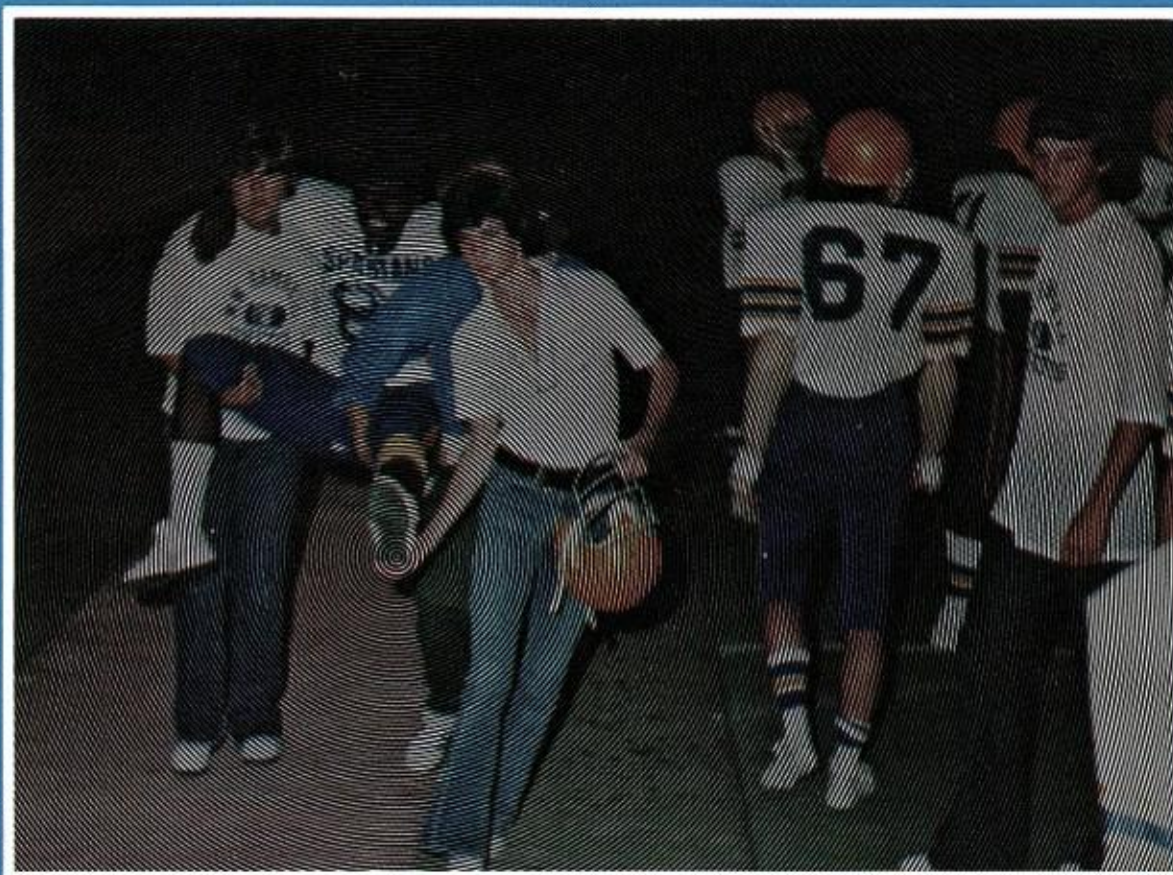

You give but little when
you give of your posses-
sions. It is when you give
of yourself that you truly
give.

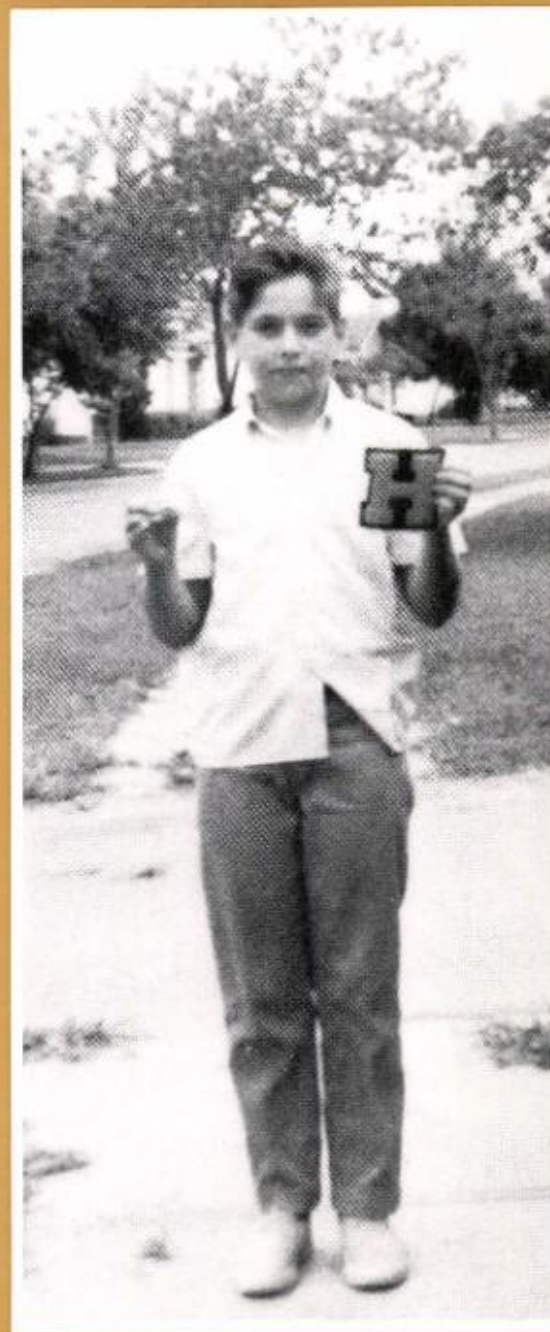

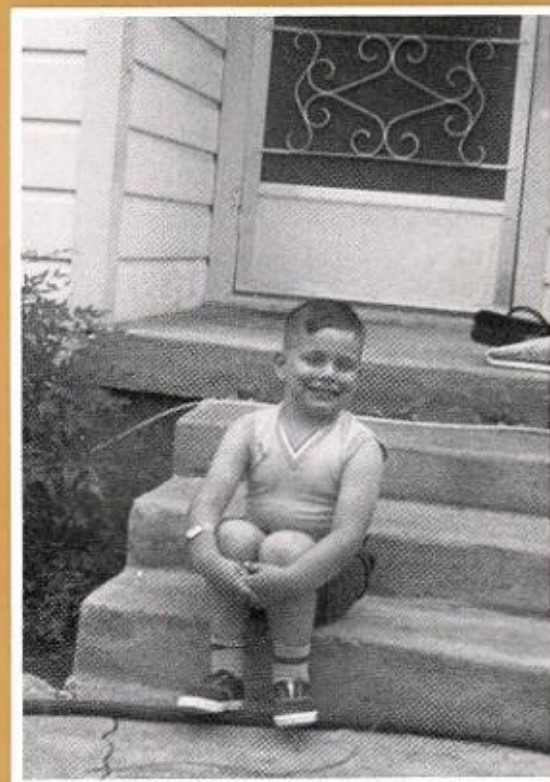

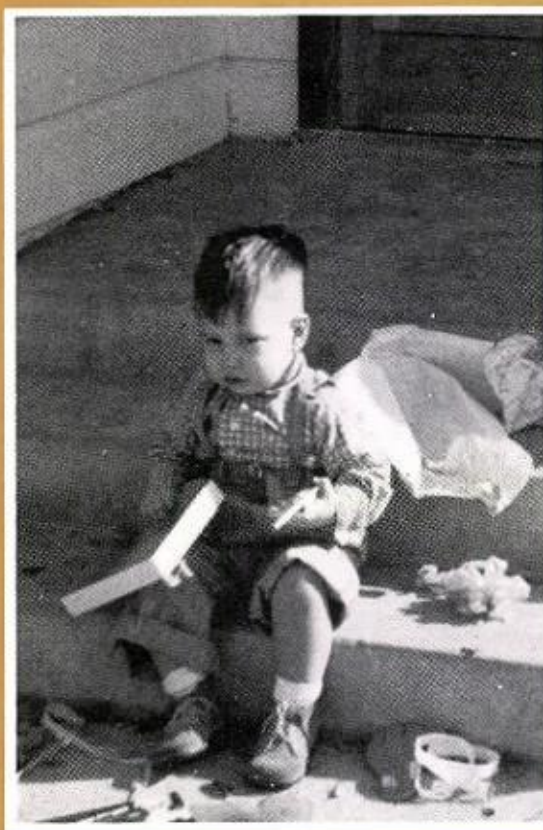

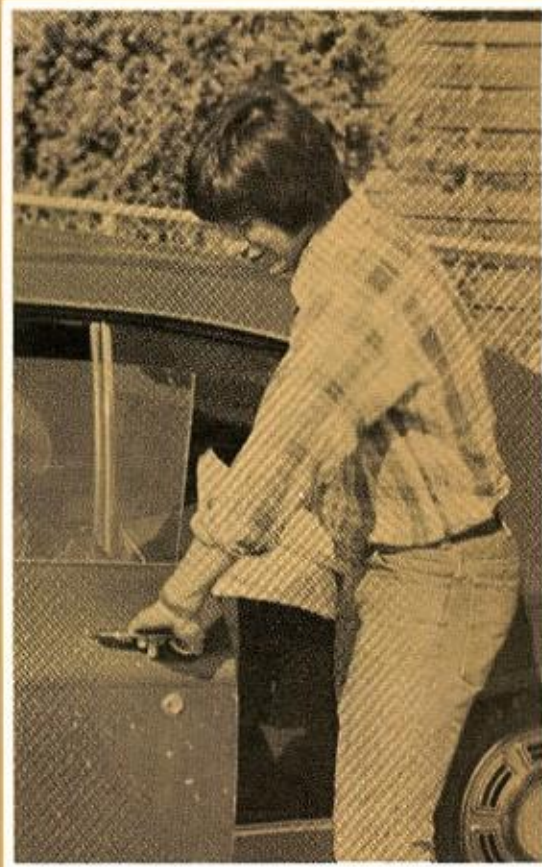

Giving of yourself can be a very difficult task, but it can have the most rewarding effect on the outlook you have of your life. Helping and giving to others brings both joy and satisfaction to you.

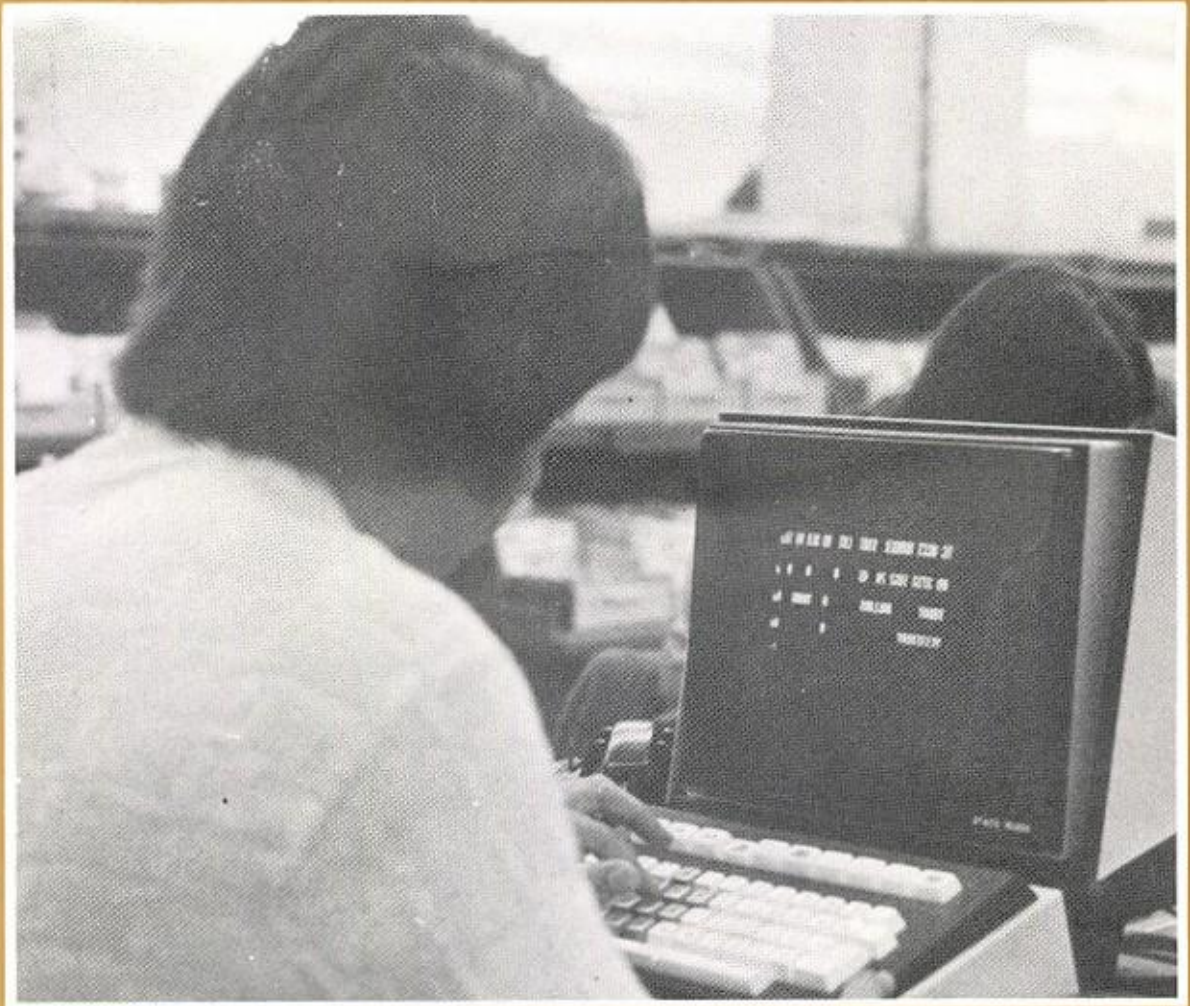

. . . yesterday is but
today's memory and tomorrow
is today's dream.

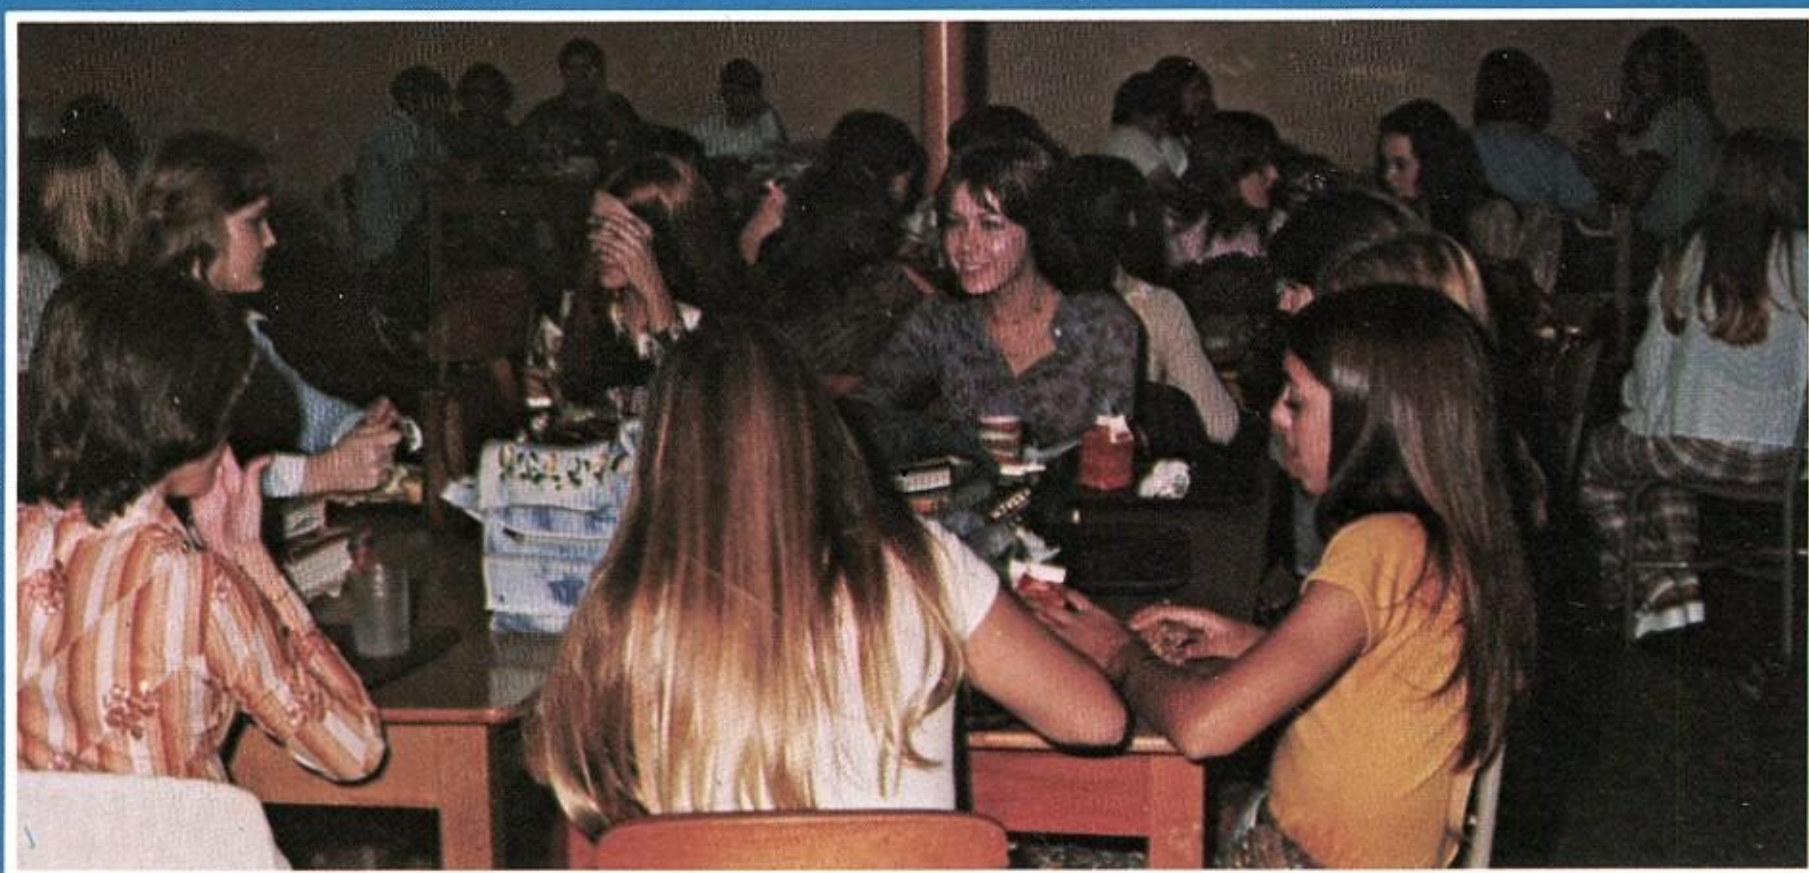

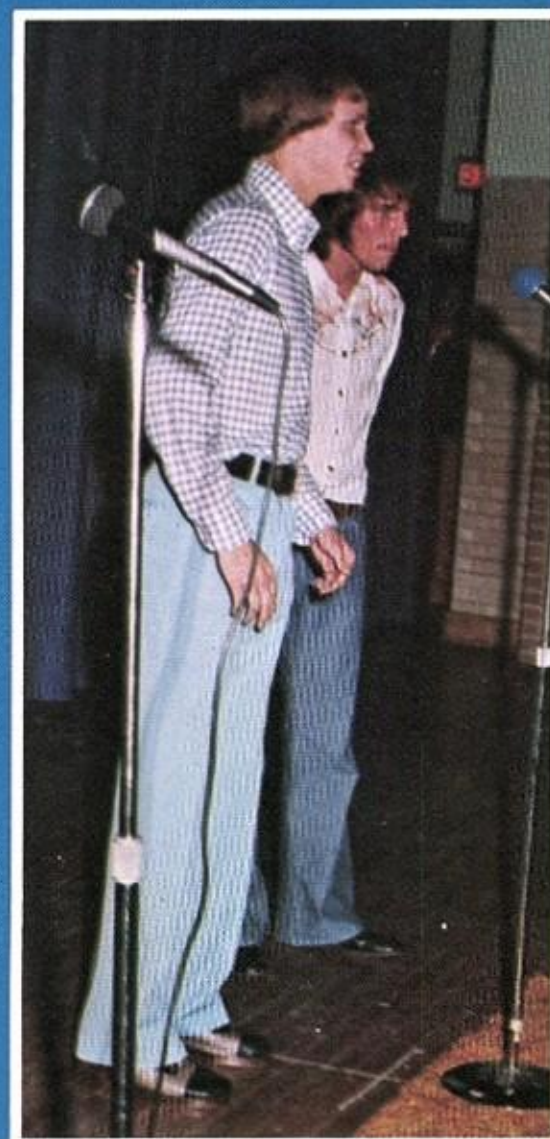

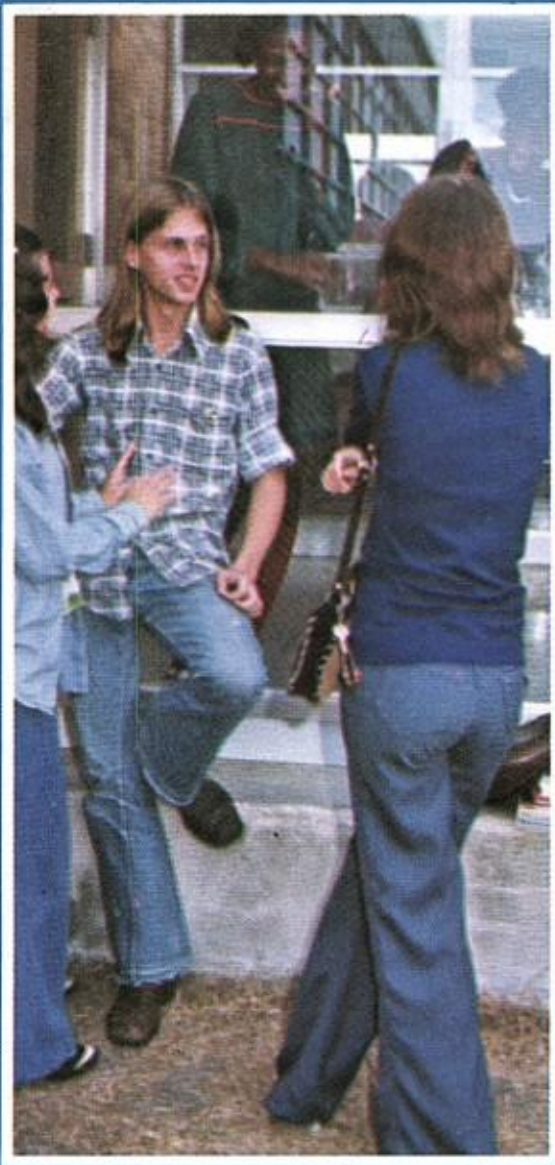

Looking back in our yesteryears we see how we were, but looking forward in the hands of time we dream of our life to come. In high school we have the everyday life of just being here, but in our dreams we have a reason for being.

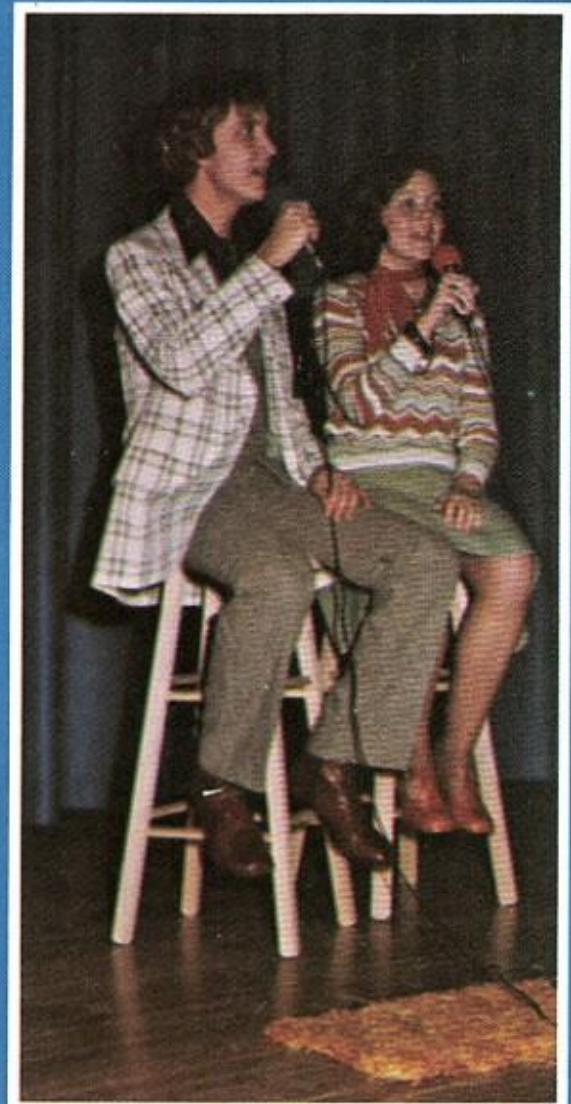

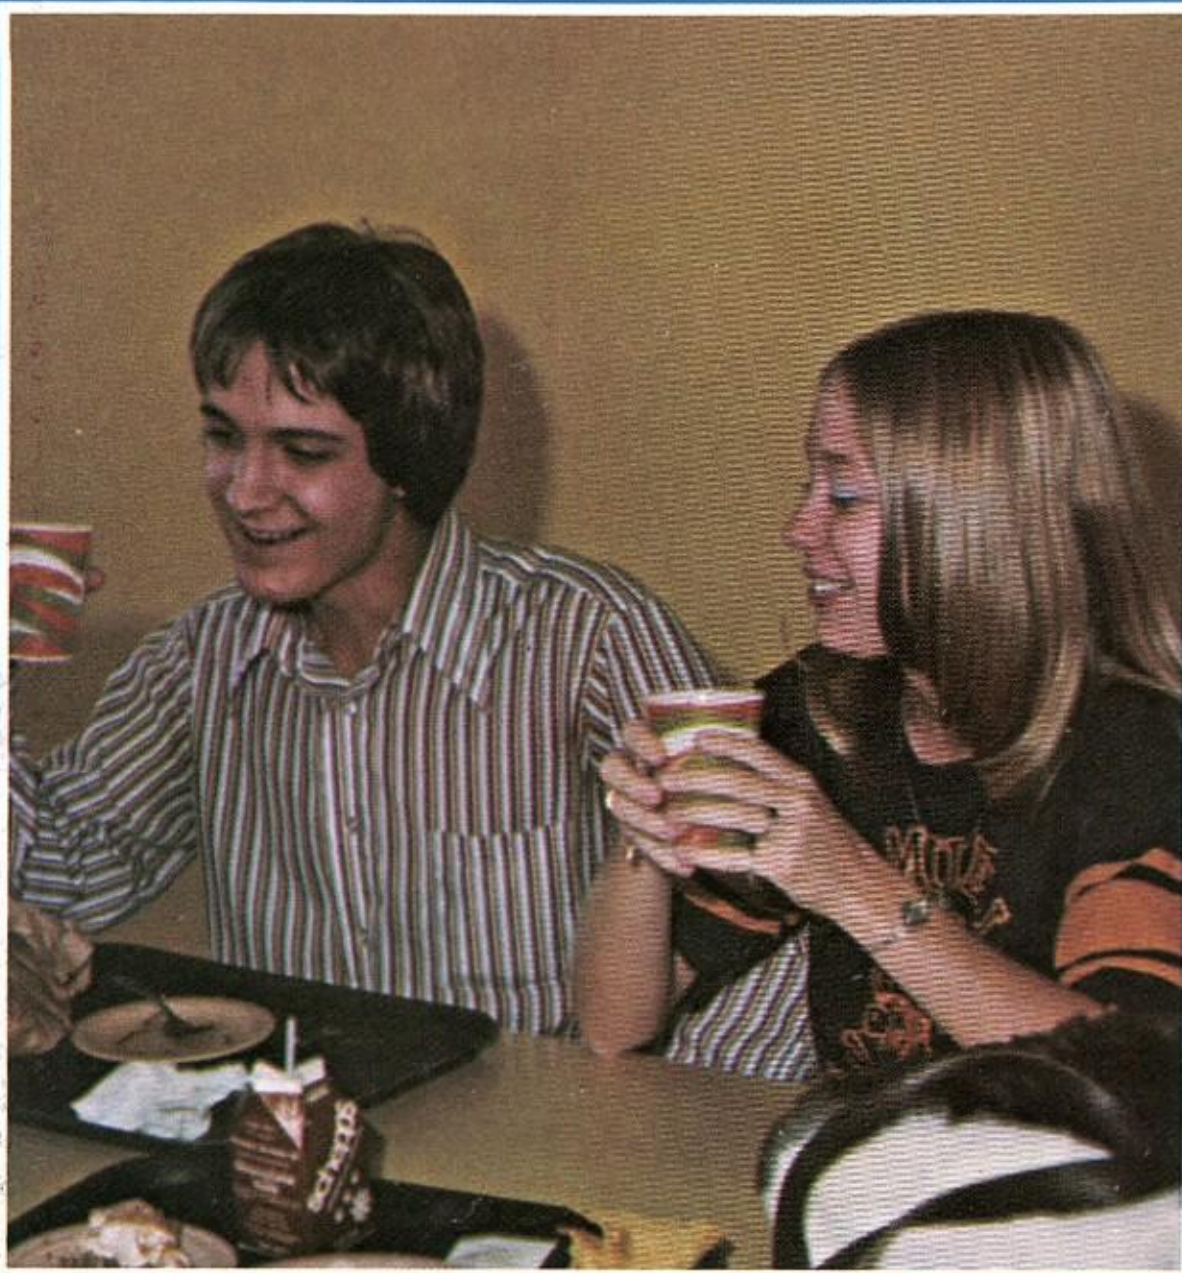

And in the
sweetness of
friendship
let there
be laughter
and sharing
of pleasures.

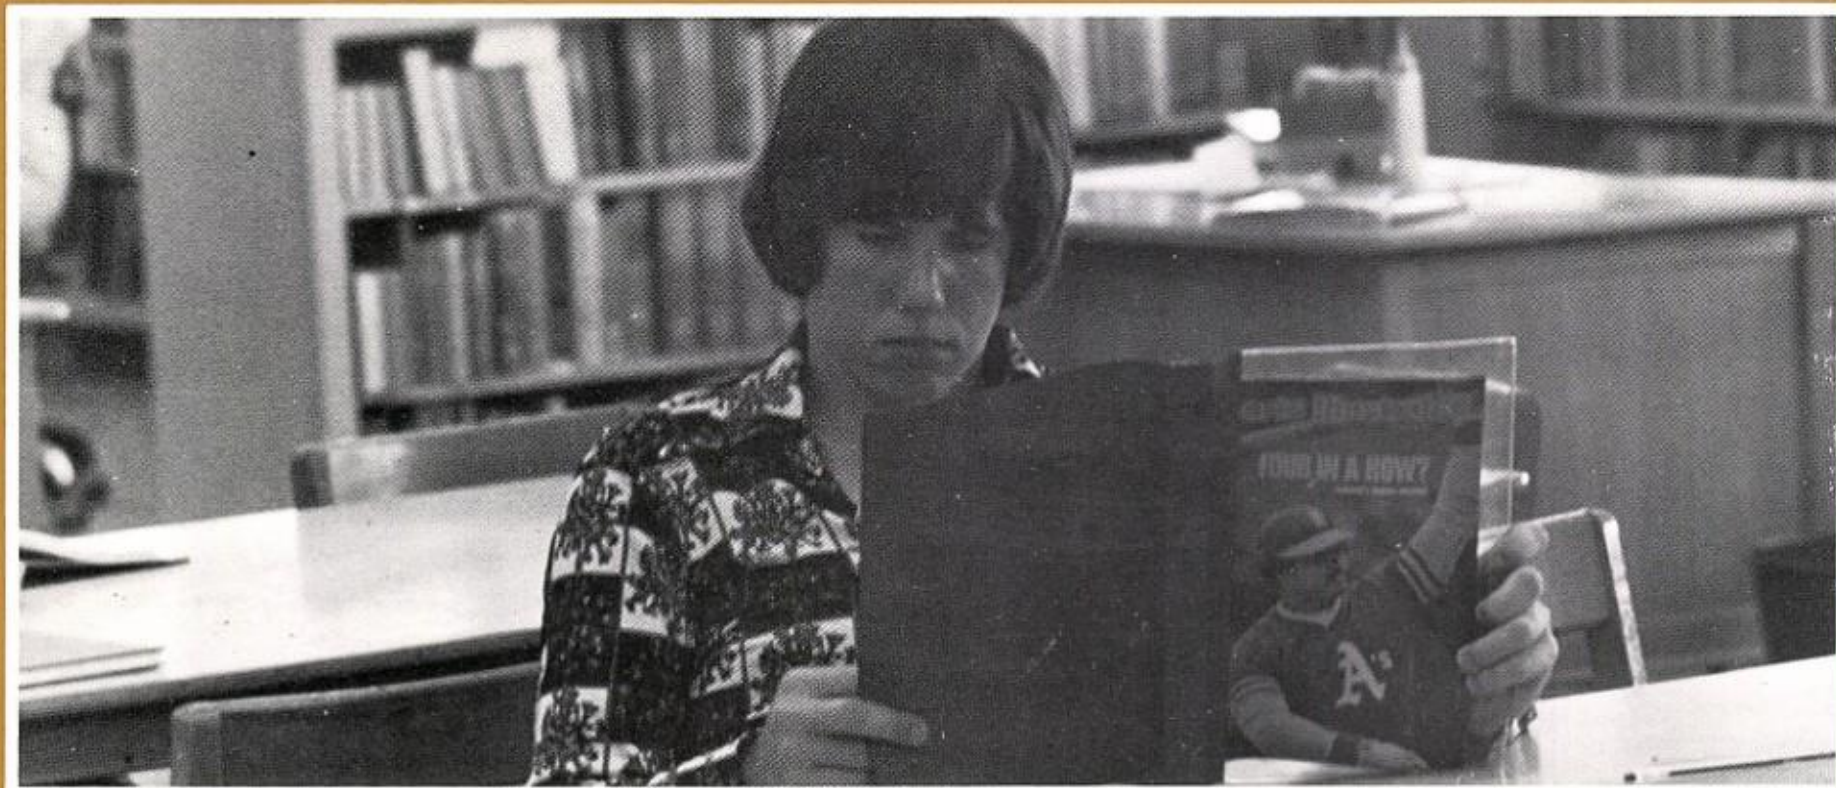

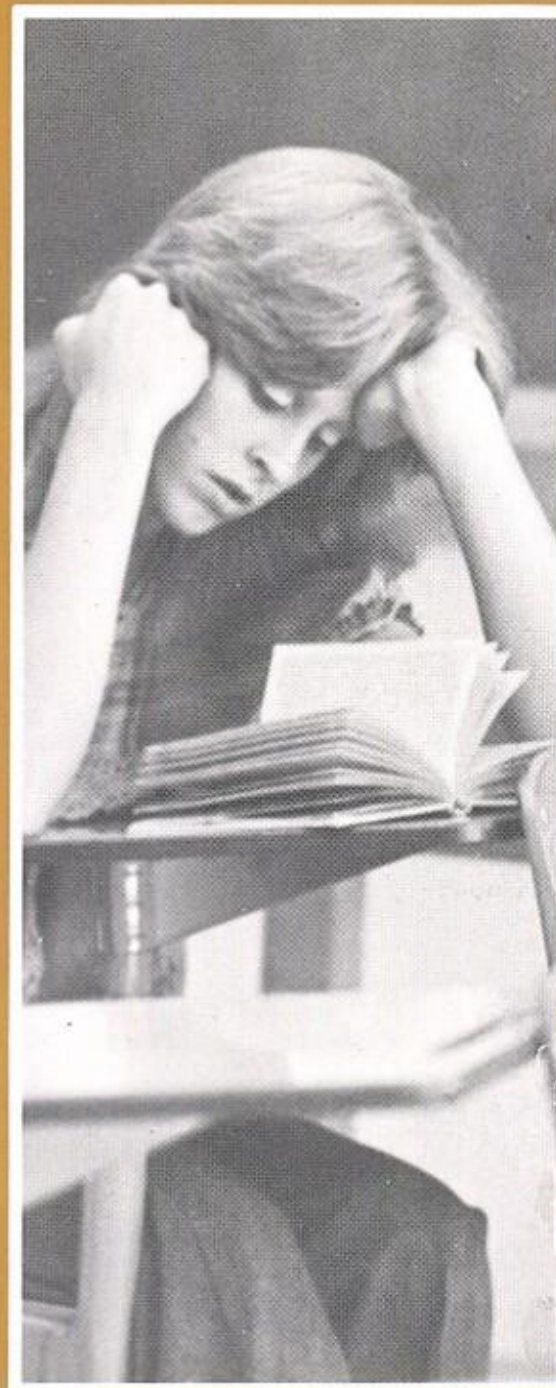

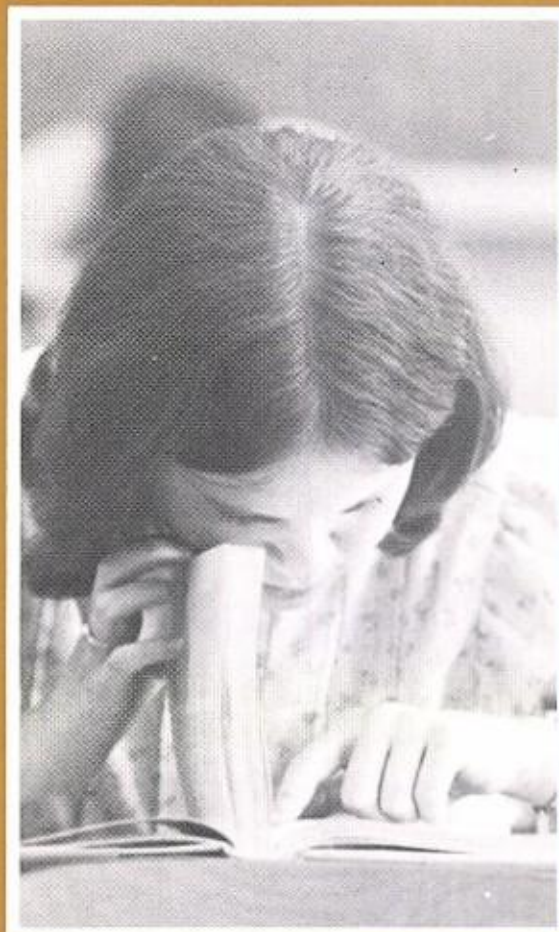

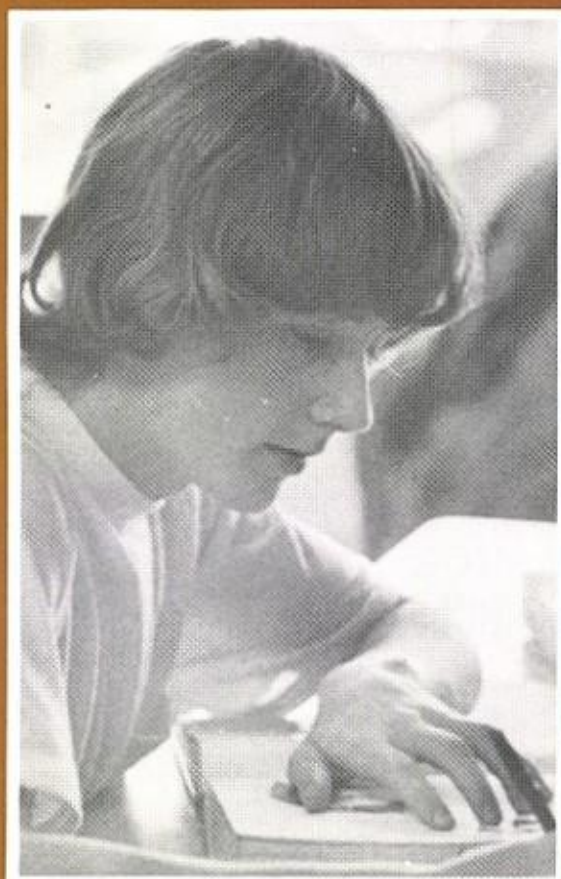

Some of the best times in our lives are spent with friends. The moments spent with friends will be cherished in our memories of love and everlasting happiness. If you had no friends you would be like a ship without water. Without friends you would not know the meaning of true happiness.

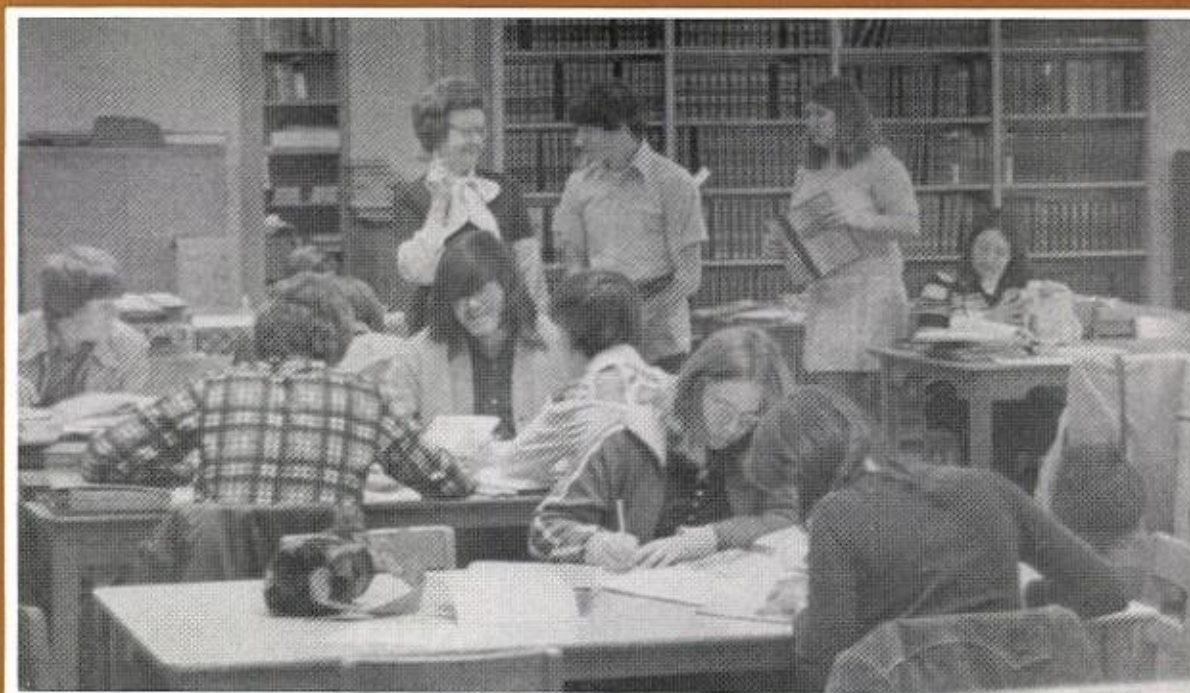

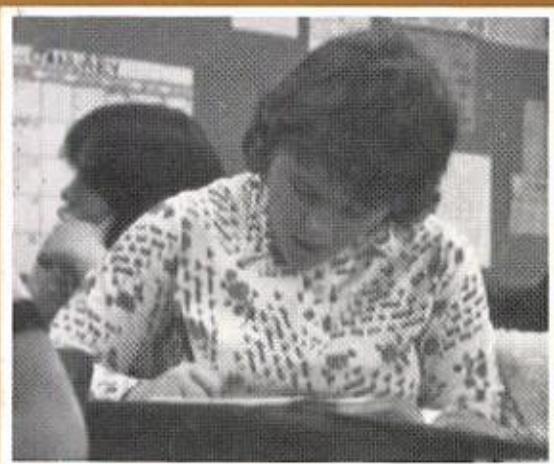

If he is
indeed wise,
he does not
bid you enter
the house of
his wisdom,
but rather
leads you to
the threshold
of your own
mind.

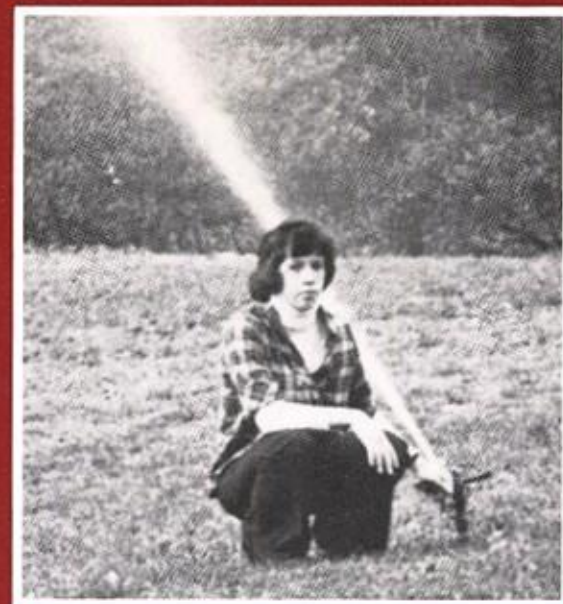

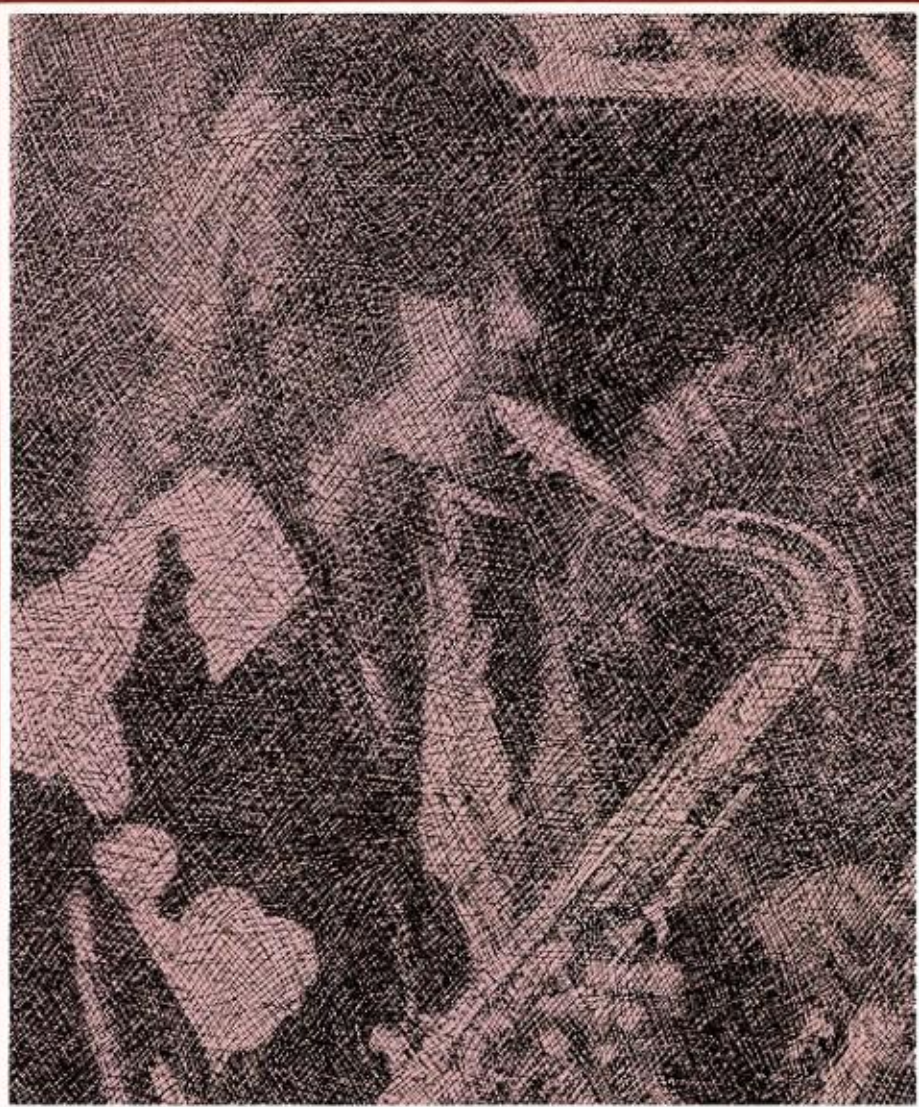

The purpose of learning is to search and find the limits of one's own mind. Teachers give of their knowledge to help a student open doors to find the unknown. Much learning is obtained through the constant changing of the environment. Learning is essential to the mind or life comes to a stand still in this ever changing world.

Whither are
you hastening
with our souls
and our spirits
and our sighs?

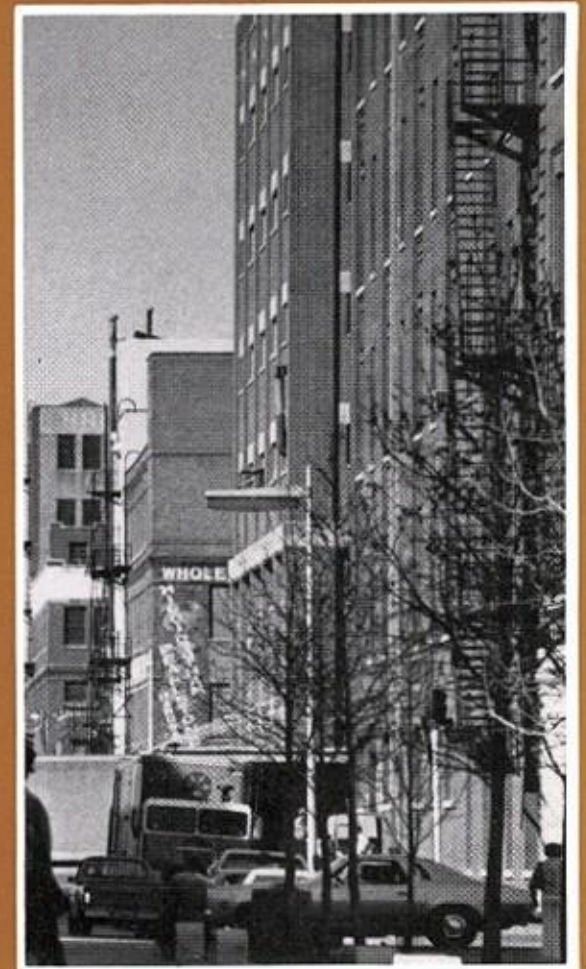

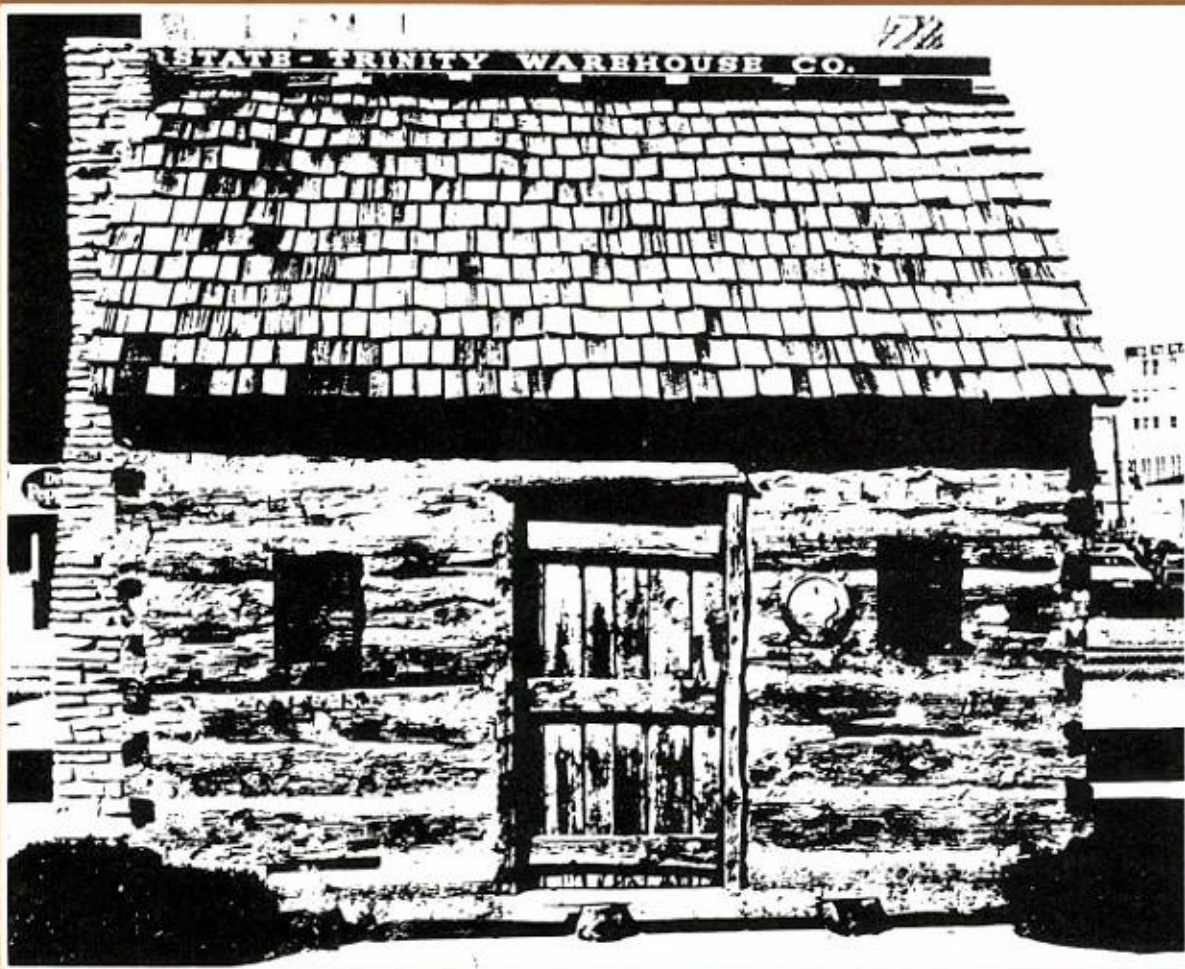

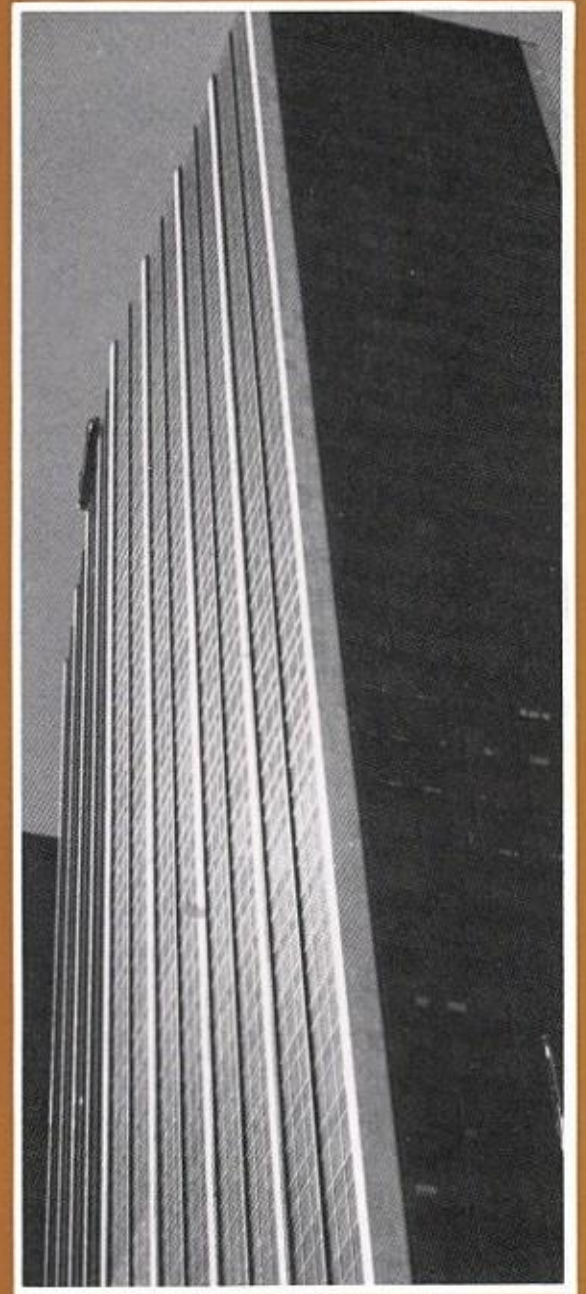

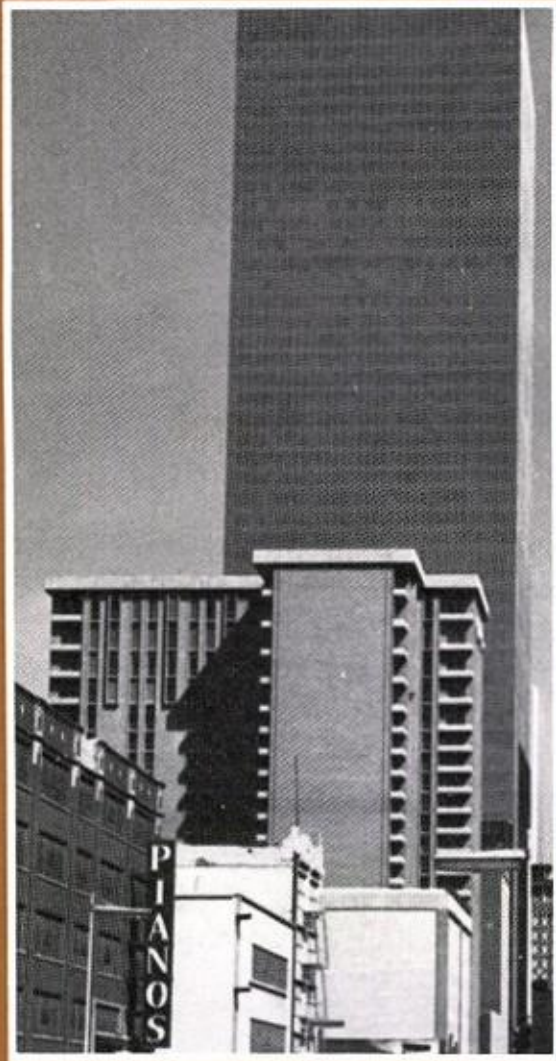

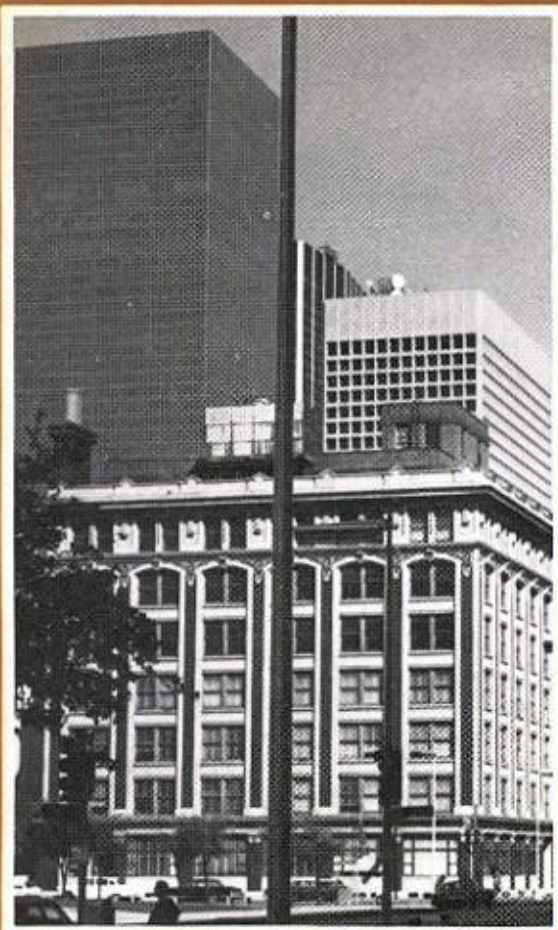

As we gradually approach the ending of school, we are faced with the problem of making the decision on which way to go. We leave a life of luxury, and enter into the world of adulthood. This new world offers many challenges, and many new decisions are called for. Where do we go from here?

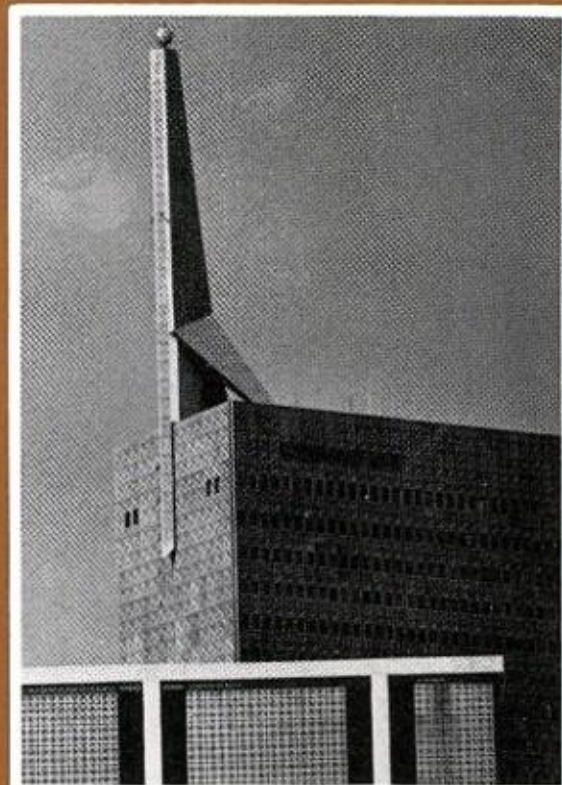

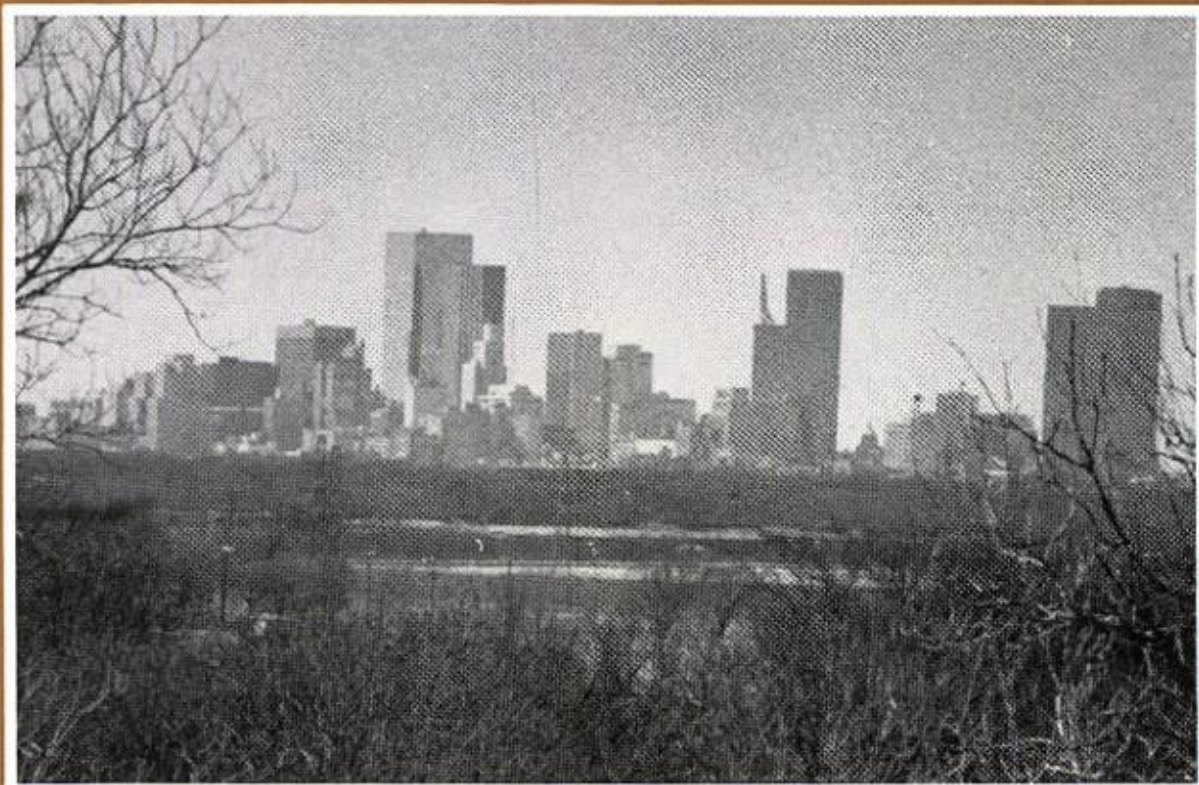

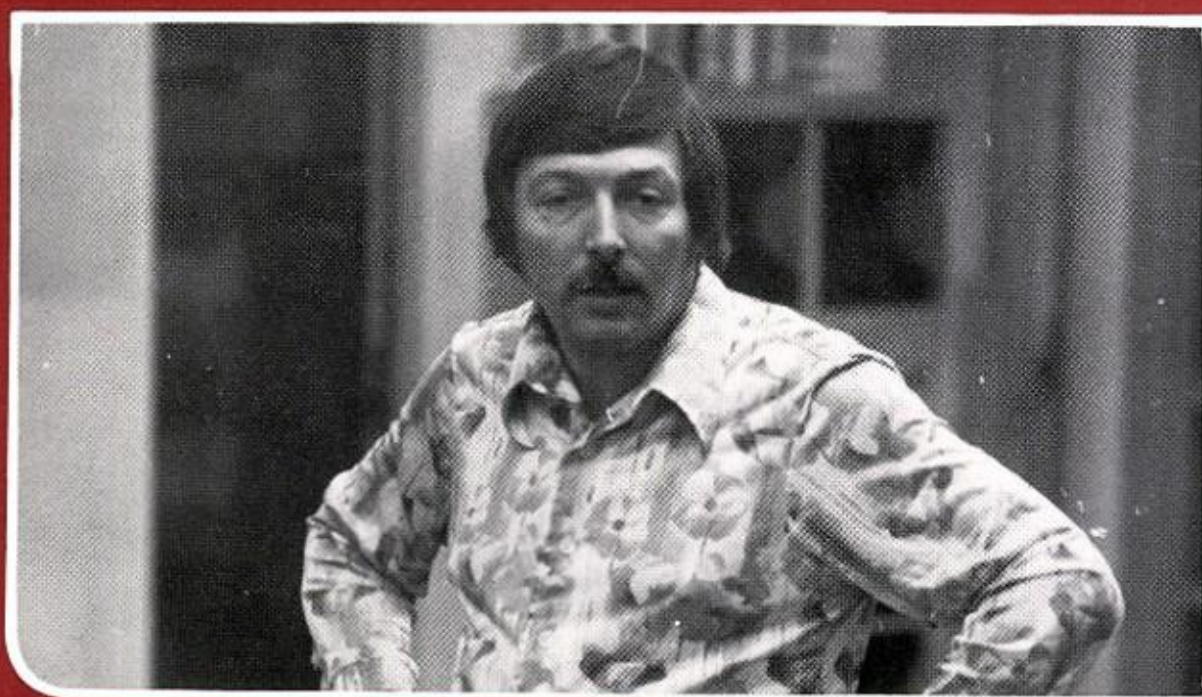

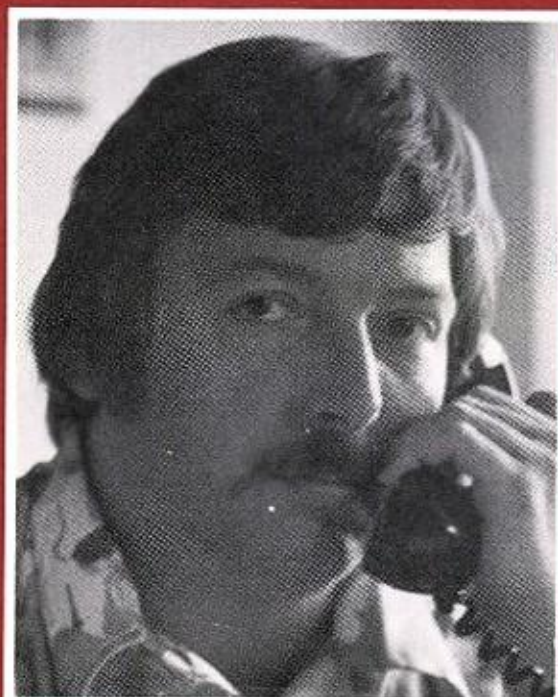

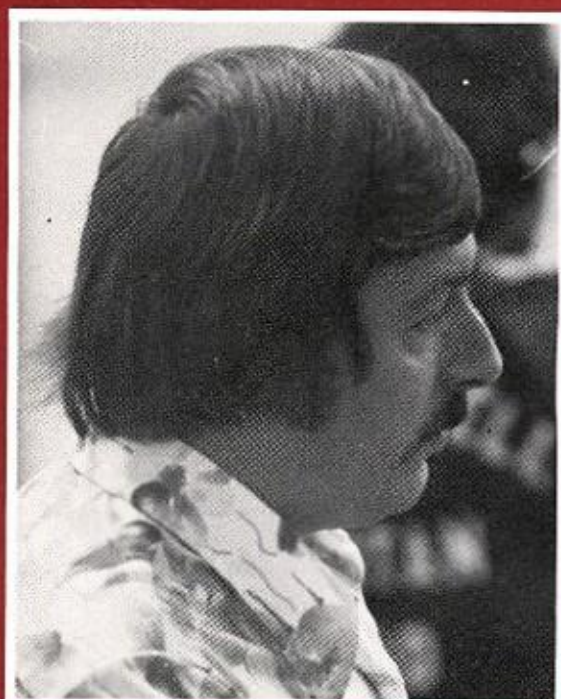

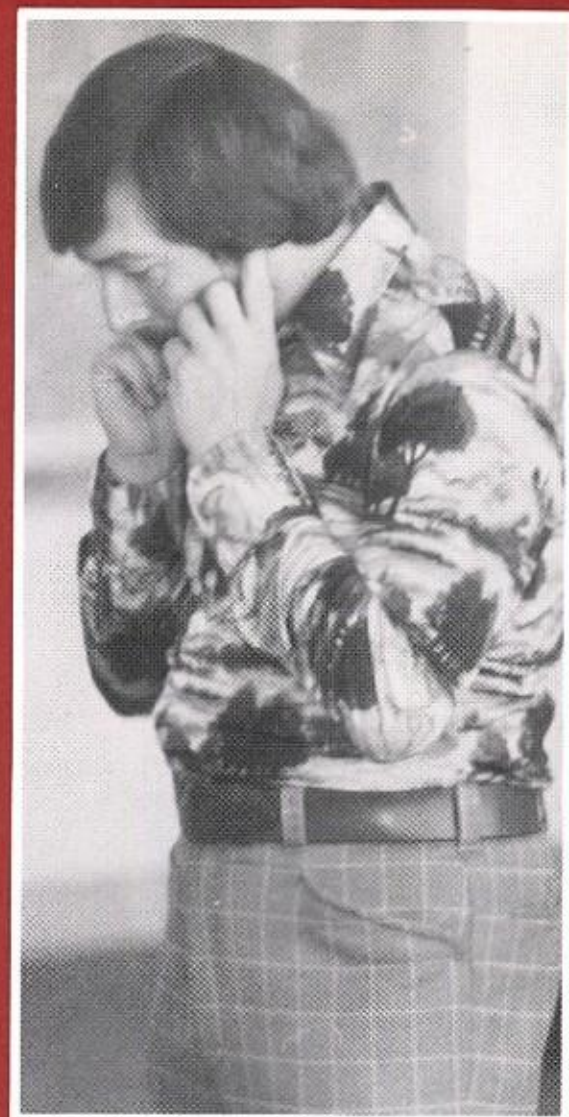

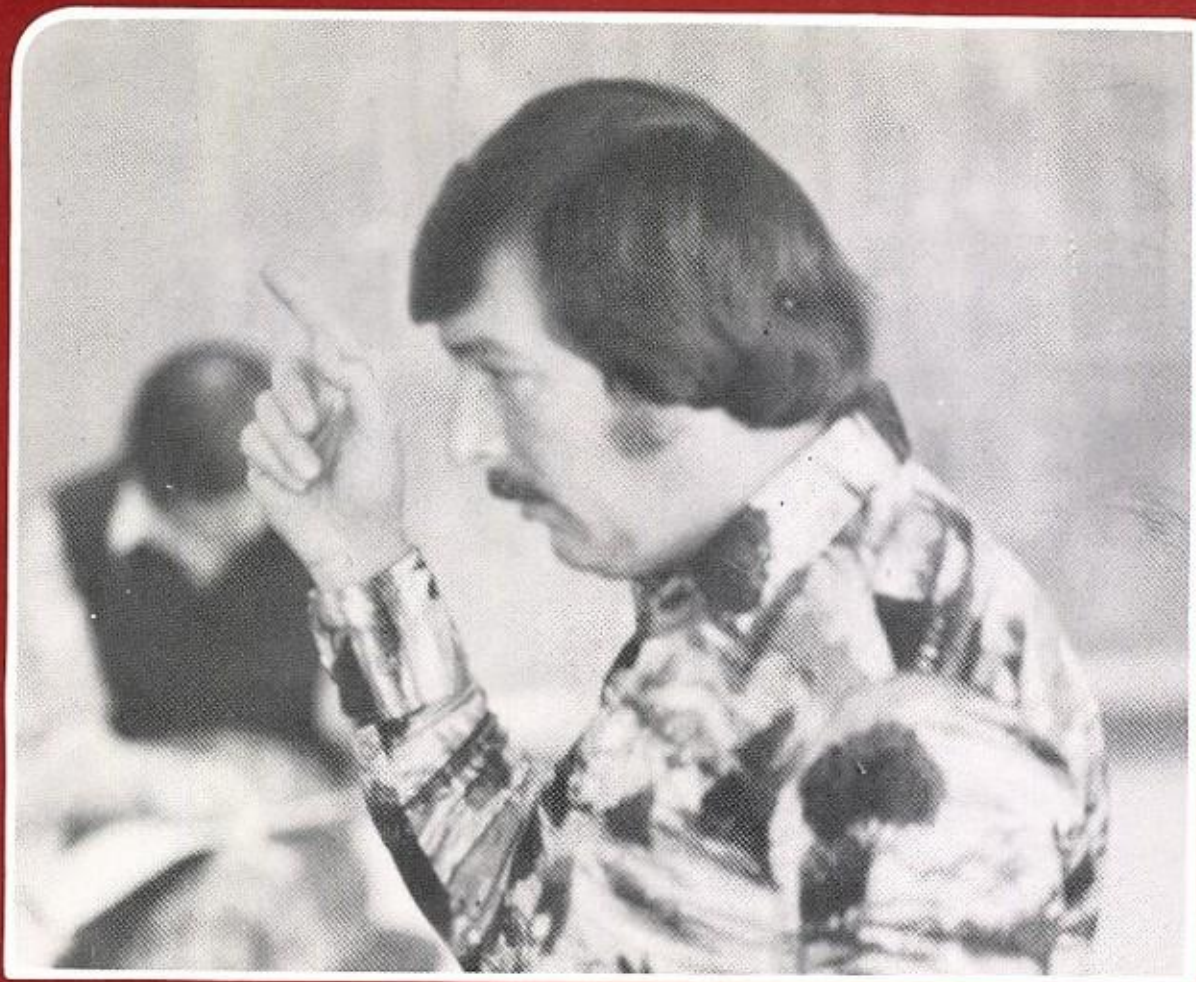

A city
far off, yet
near; seen
and unseen.

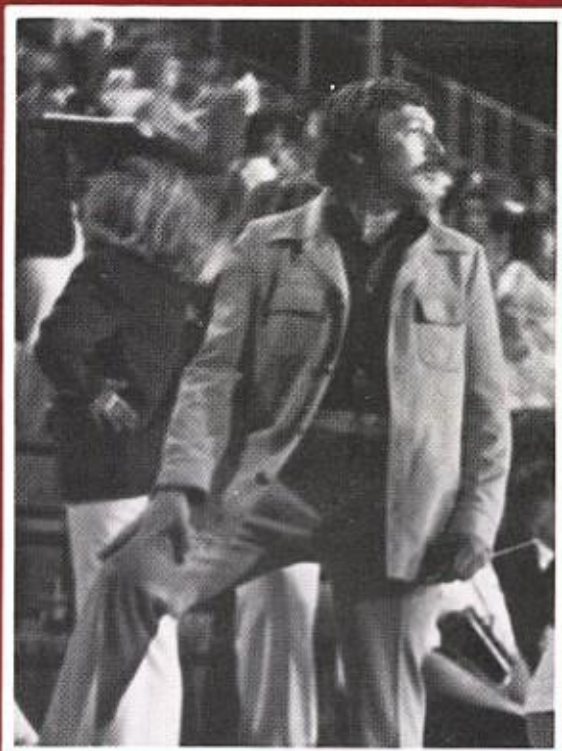

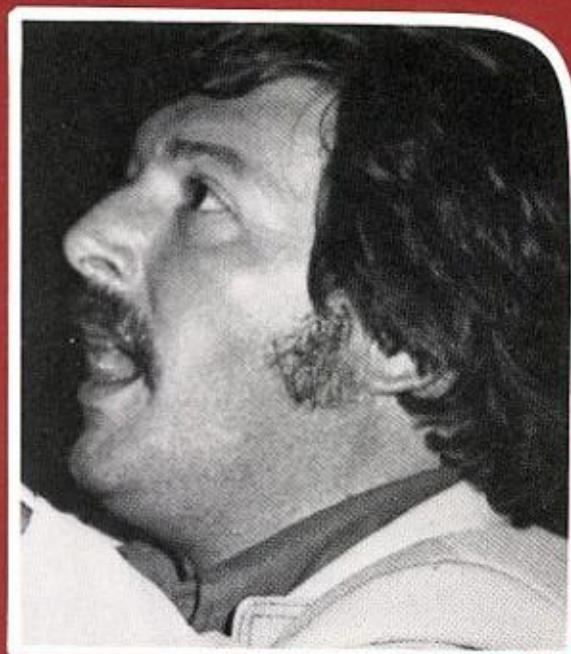

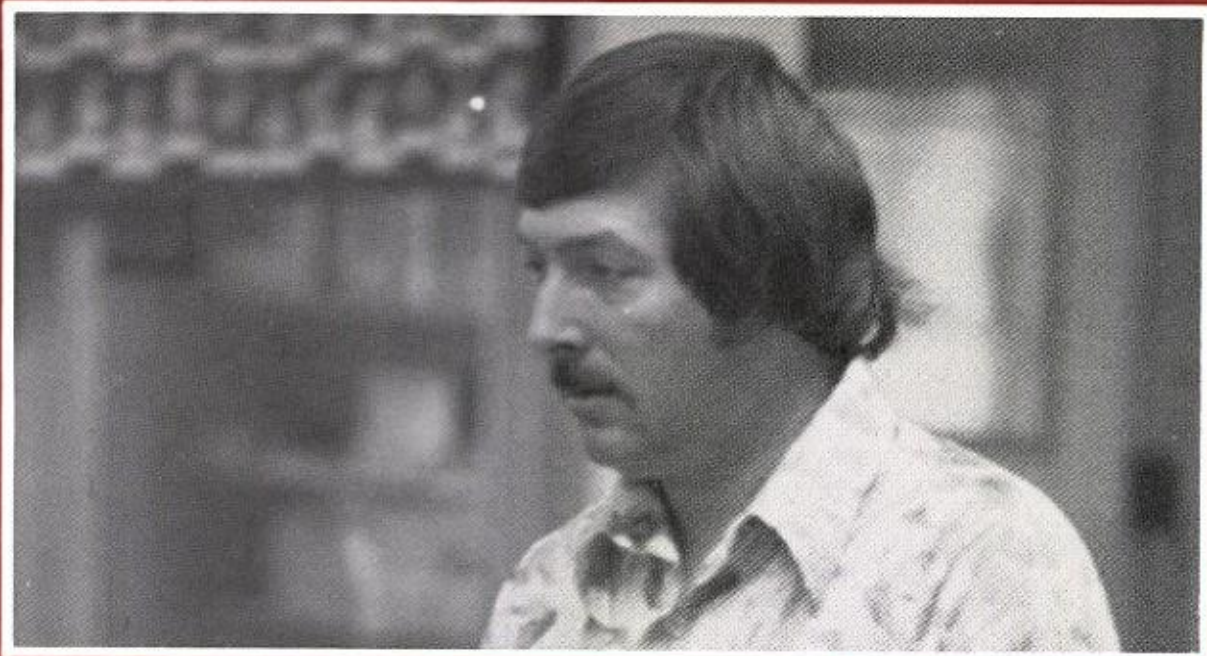

The future of our lives is seen and represented through the everlasting city. The city holds our ideas and plans that we will someday cherish. Through years of time, this city has built a firm standing of sorrow, careers, and happiness. We will find ourselves, by focusing in on this far away city that is oh, so near.

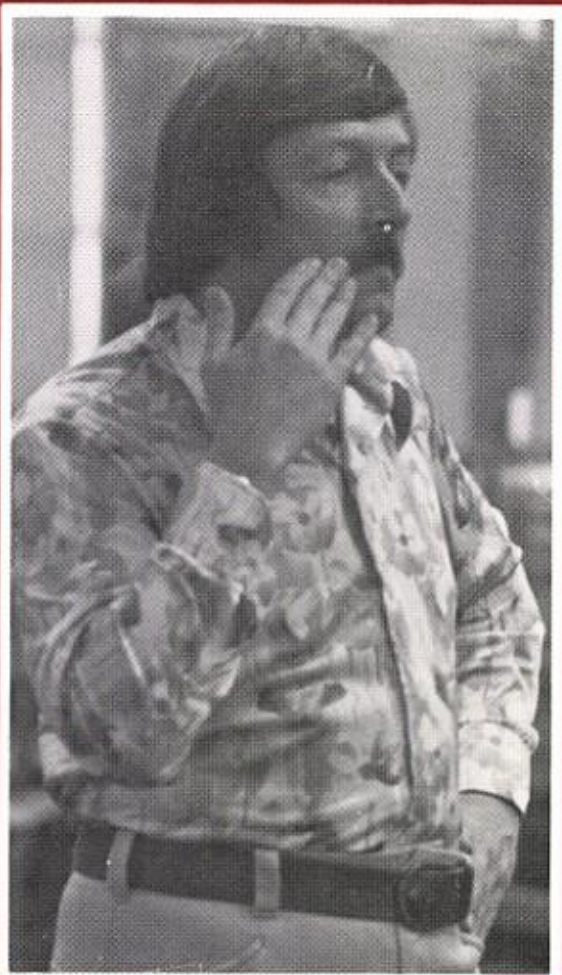

Profiles of a Friend

With the theme of the '76 Torch, "Profiles of Man," the annual staff has chosen Mr. Olen B. Arnold as the dedicatee. With his six years of services at Samuell, he has contributed much of his time and talents to the school. As we look back in the years, especially this year, we can see the things he has done for the school. Not only being an educator, he is a friend to many. He has become well thought of as a person because of his friendly personality and attitude he has for others. Being the band director, he has many outside duties as a teacher. During football season, he put in many long hours before and after school to perfect the halftime shows presented at each game. Also, he has brought many honors to Samuell by directing the stage band.

With this, we would like to express our appreciation for Mr. Arnold's service to the community and our school.

Cheerleaders '75-'76

The 1975-76 Cheerleaders have had a busy year. They attended the SMU Cheerleading school in August and brought home the coveted Spark Plug Award, 2 Spirit Sticks, 4 Superior ribbons as well as others. During football season they promoted spirit both on and off the field. Being a cheerleader didn't stop with football season, as they led yells at the basketball games. The sponsor for the cheerleaders was Linda Adams.

One of the many outstanding groups representing Samuell this year were the Starlets. They actively became involved from the very beginning with summer practice and then performing during halftime at the football games.

Along with this, they raised money for AFS and held their annual variety show, the Starlet Capers. They also marched in parades, performed in competition, and closed the year with a well-presented halftime show at the inter-squad game.

Samuell Key Clubbers began a seemingly endless journey, as they became involved in many school and community activities. Included among the various projects, was the Christmas can goods drive, in which needy families were provided for. Also, they cleaned the student parking lot and attended numerous meetings and conventions.

An overwhelmingly difficult task was taken on by a group of students, when they were chosen to produce the school yearbook, The Torch.

Changes were made not only with sponsors, but also in the delivery of the book. The regular summer delivery of the book was changed to a spring arrival with a summer supplement to catch the ending events of the year.

They presented the musical "The Unsinkable Molly Brown," with Donnie Roach and Barbara Brock holding the lead positions. French Club

Learning about the cultures of France was a chore taken on by the French Club this year. At their monthly meetings, they made plans for future activities and encouraged respect for and exercised tolerance of all those involved at the sessions. Along with this, the club celebrated Mardi Gras. Mrs. Juanita Reed engineered the club through a successful year.

Although Latin is considered a dead language, the Latin Club arose with a boosting year. Meeting once a month, they studied and achieved a better understanding of Roman culture. They concluded the year with their annual banquet in which they dressed in Roman style and presented a play on Roman life. Mrs. Gail Hamilton undertook the job of sponsoring the club.

Throughout the year, the Los Conquistadores were involved in many projects, such as a Christmas box for needy families and a bake sale which raised money for the state project. The highlight of the year for the club was attending a state-wide convention in San Antonio, Texas.

Artistic techniques were demonstrated by the Art Club through a very unique, historical calendar. The money raised from the selling of the calendars was used for art supplies. Not only did the club take field trips, and have displays and demonstrations, they also decorated for the prom. Taking a seat in the director's chair was Mrs. Elaine Spearman.

JROTC

This year the ROTC can best be summed up by saying it was a year of activities. The rifle team once again showed its excellence in marksmanship competition against local schools and in national matches. The girls drill team proved itself a winner after bringing home a first place trophy from the State Fair of Texas, along with fine performances in other competitions. The Corps offered Kellie Canada as its first girl candidate for the Air Force Academy. Along with many visitors, including Helicopter Orientation Flights, the ROTC was successful in their annual inspection by the Army.

A 6-4 season brings success

• • •

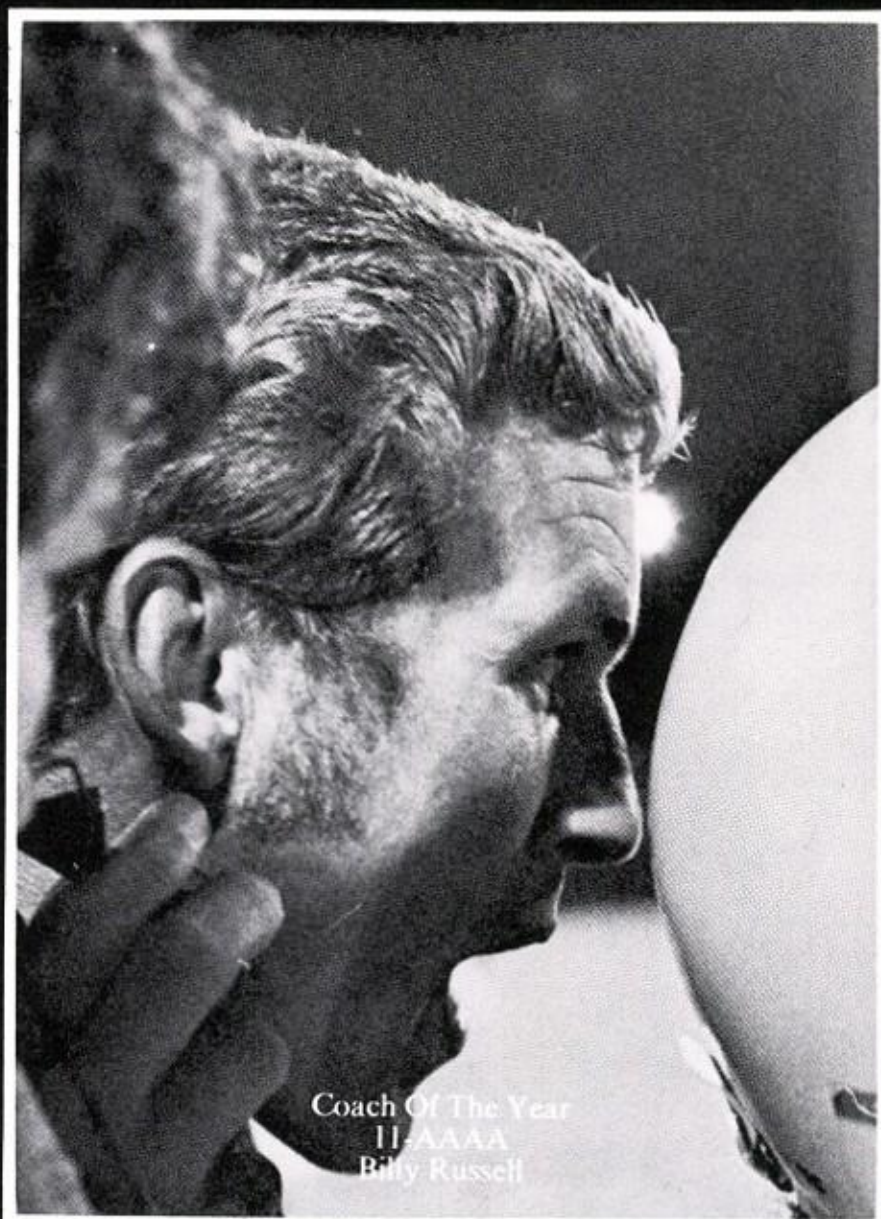

Finding a seat was almost impossible at a Samuell football game this year. At each of the ten games, the Samuell football team was supported by a packed crowd of Spartan fans.

By losing four of the first five games of the season, the Spartans got off to a questionable start. But the question mark became an exclamation point during the remainder of the season because the Spartans won each of the remaining five games.

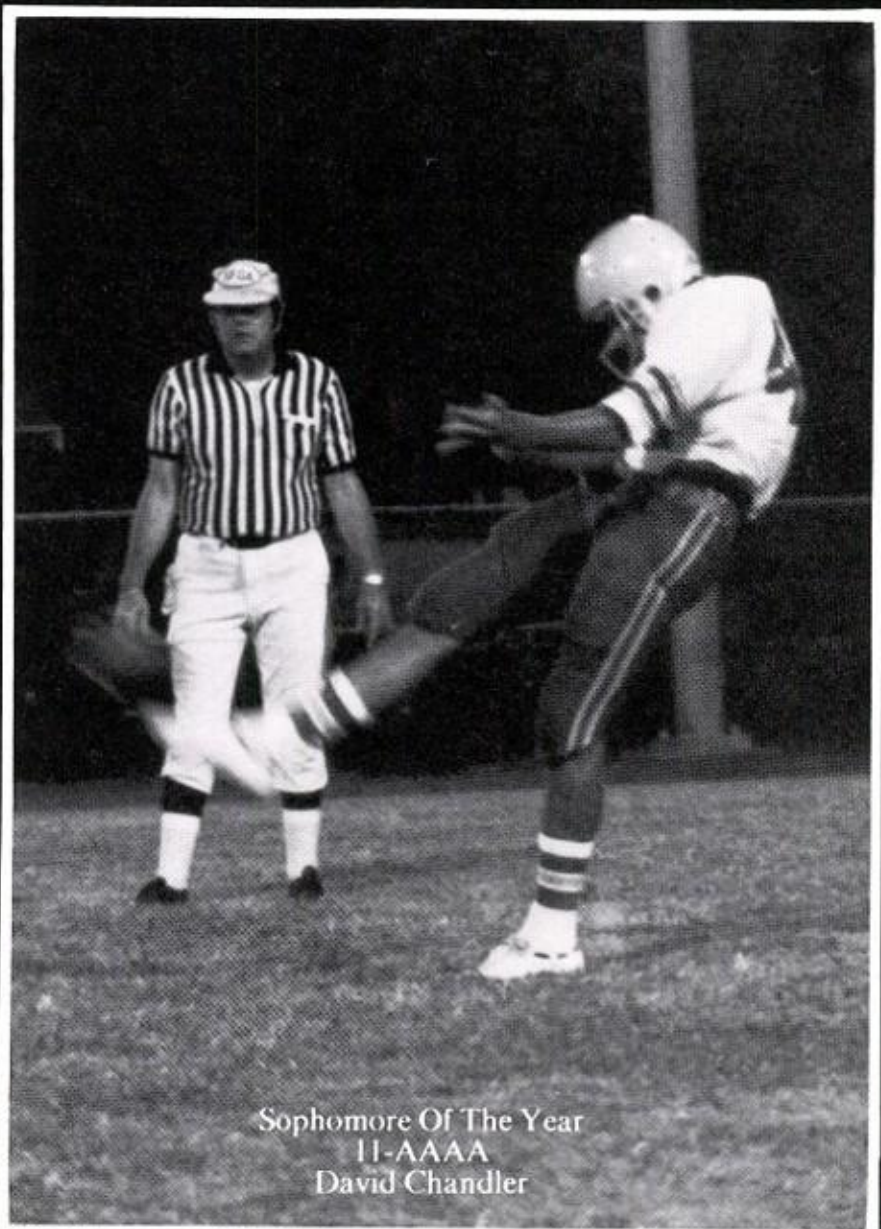

Head coach Billy Russell and his assistant coaches guided the Spartans to a 6-4 season, the most successful Samuell has enjoyed since 1970.

Five Samuell footballers gained All-District recognition. Phillip Timpa tackled a spot on the first team defensive line; Reggie Richardson blocked out a path to the second team offensive line; Marcus Vickers caught the tight-end position on the second team; Donald Kelly rushed his way to the second team offensive backfield; and David Chandler was named sophomore of the year in the district.

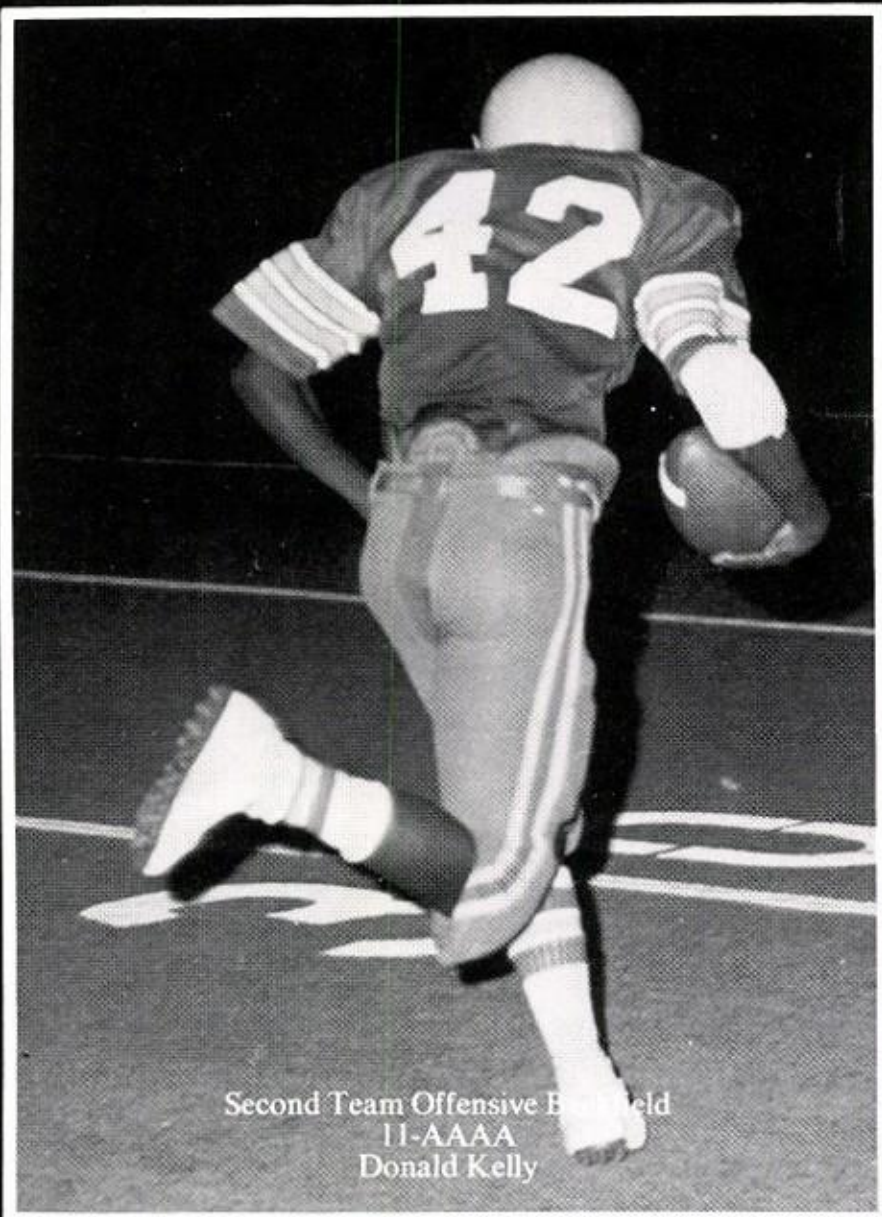

Coach Russell was recognized as one of the top coaches in the city after being named coach of the year in the district.

Spartans Get Stung

Entering the game as heavy underdogs, the Spartans battled in a losing effort to the highly rated Mesquite Skeeters 17 to 8.

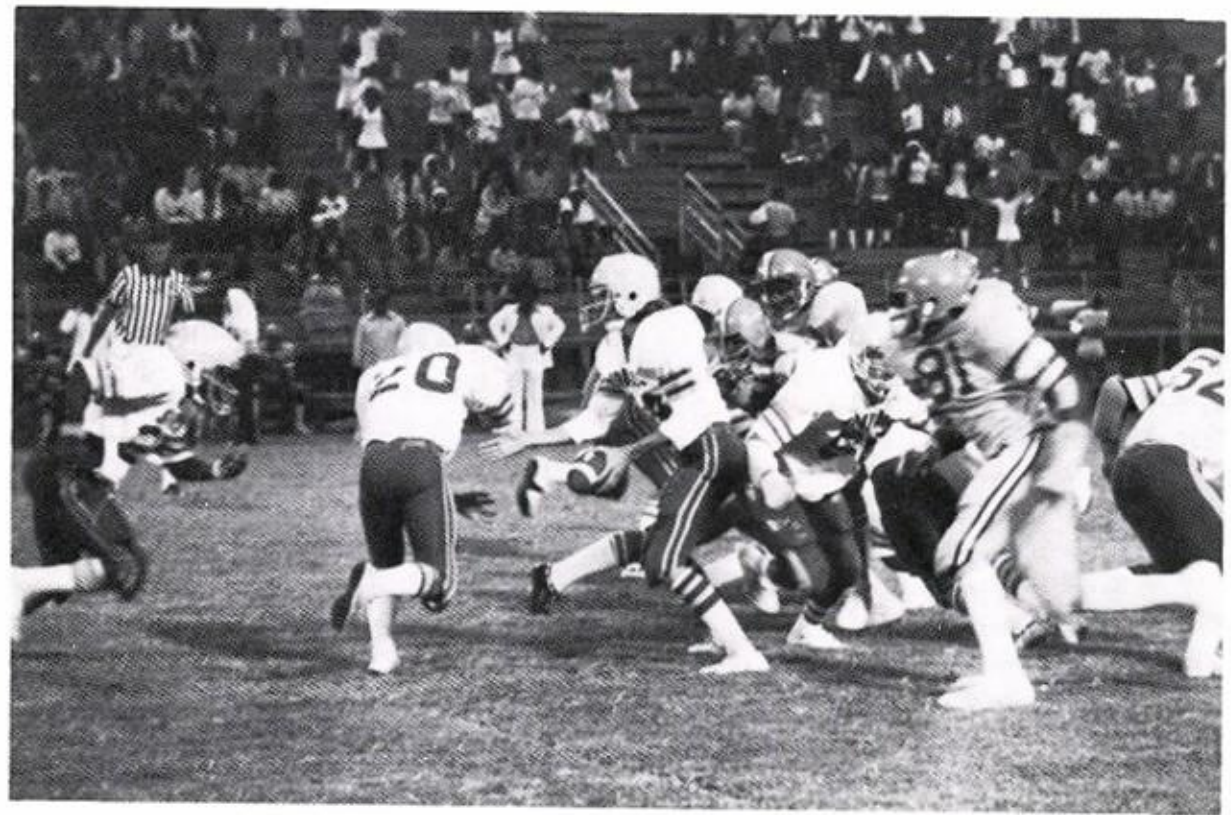

It took the Skeeters three quarters to build up a biting 17 to 0 lead, although the Spartan defense forced two fumbles. Phillip Timpa recovered a fumble in the first period, but the Spartans failed to score.

In the fourth quarter, the Spartan defense gave Samuell fans hope with its third fumble recovery, this one at the Skeeter 37 yard line. After a 4th and 8 pass from quarterback Richard Allen to tight-end Marcus Vickers, the Spartan offense had advanced to the 3 yard line, only 9 feet from the first Spartan touchdown of the season. Running back Donald Kelly scored the touchdown with a 3 yard plunge, and Danny Trent caught a 2-point conversion pass from Allen to end the scoring.

After the game, Coach Bill Degan commented, "We feel that our team performed well even though we came out on the short end of the score. We made a few mental errors that were costly. If we can stay healthy and retain the good attitudes shown, the Spartans will surprise a lot of people this year."

Samuell Takes First In Closing Seconds

It took the Spartans about a minute to win their first game of the year. The victims of the clock at Pleasant Grove Stadium were the Roosevelt Mustangs, losing 8 to 7.

With close to a minute to play, the Mustangs had the ball at the Samuell 3-yard line and also a 7 to 0 lead. The stands were slowly emptying, and the Samuell defense stopped the Mustangs in four plays. A few fans remained, but most had given up hope.

With less than a minute on the clock, the Spartan offense needed 98 yards and some miracles to win. It wasn't a miracle, instead it was good officiating, but the Spartans got a break. An official charged Roosevelt with pass interference and gave Samuell the ball in Mustang territory. As the clock ticked slowly, Richard Allen rolled back to pass and threw 25 yards to tight end Joseph Crawford and 6 points. Allen also hit Marcus Vickers for the 2 point conversion.

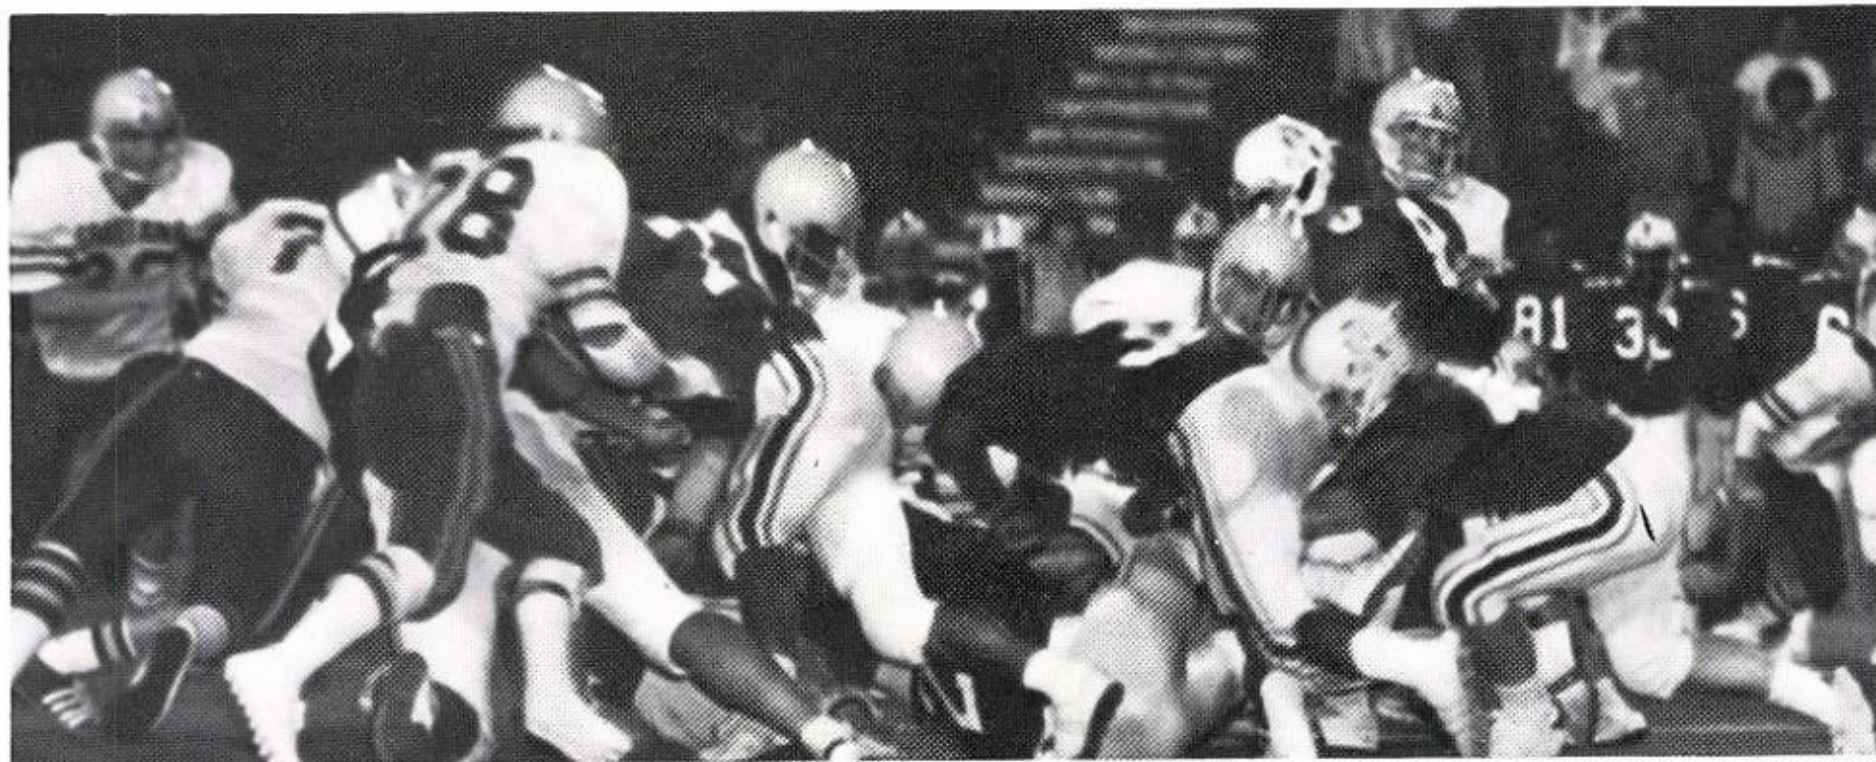

Patriots Escape Defensive Flow

Samuell scored first at Loos Field against the Thomas Jefferson Patriots, but T.J. scored last and won the game 14 to 7 in the district opener.

Richard Allen hit flanker Donald Allen for a 58-yard scoring pass and Kevin Lawless booted the extra point to give Samuell a 7 to 0 lead.

The Pats came back to tie the game late in the second period and also had a chance to take the lead from the Samuell 5 yard line, but the Spartan defense became a dam and stopped the T.J. flow in 4 plays.

The second half was scoreless until the final minute and a half. The Patriots scored on a 33-yard run up the middle of the Spartan defense.

Panthers Sneak By Spartan Sword

For the second time in as many weeks, the Samuell Spartans dropped a heartbreaker, this time to the Hillcrest Panthers at Pleasant Grove Field.

Leading 7 to 0 all of the first half, and threatening to put the game away late in the second quarter, the Spartans were stung for two second-half scores as Hillcrest pulled out the comeback victory 13 to 7.

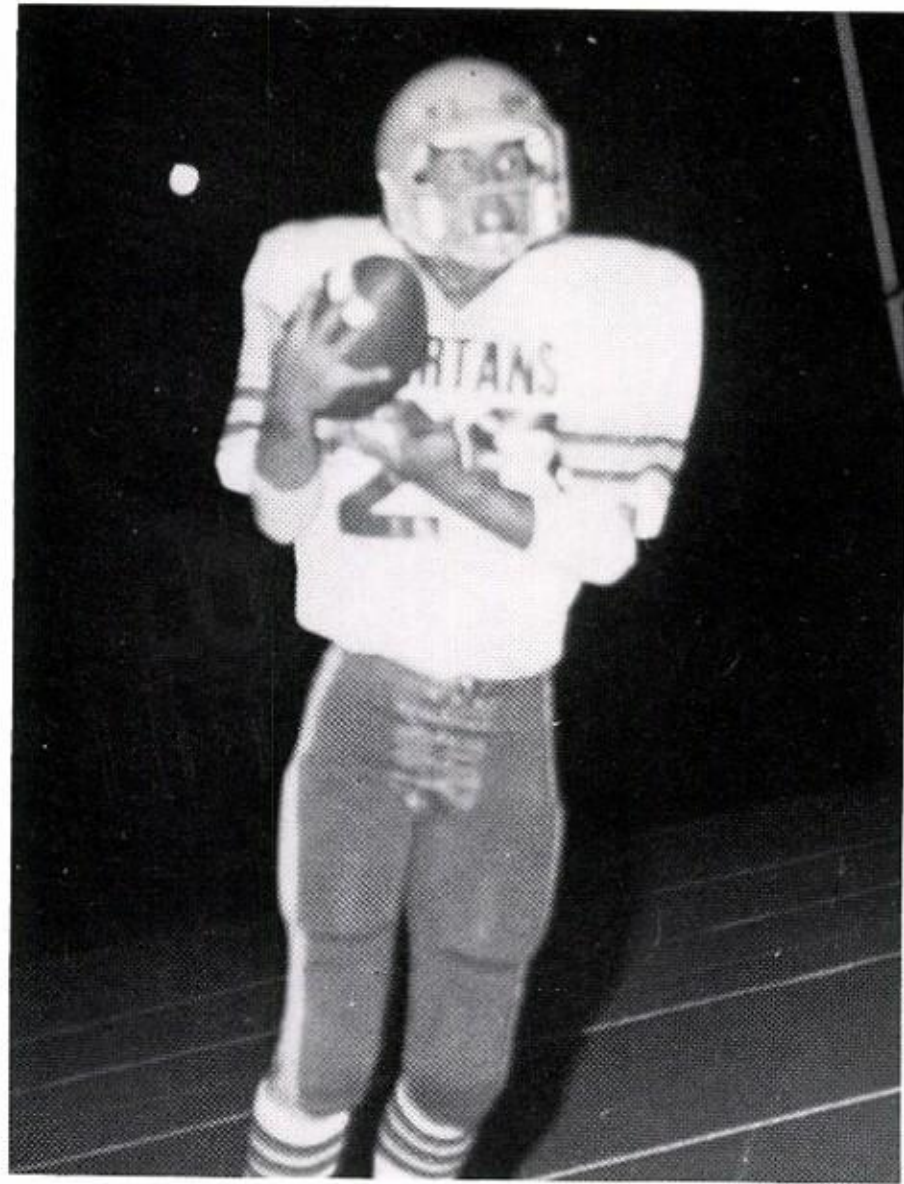

Donald Kelly dove one yard for the Spartans' only touchdown, and Kevin Lawless uprighted the extra point.

The Panthers took advantage of a Spartan fumble and soon tied the game. Hillcrest scored again in the 4th period on a 25 yard touchdown pass, but the extra point attempt failed.

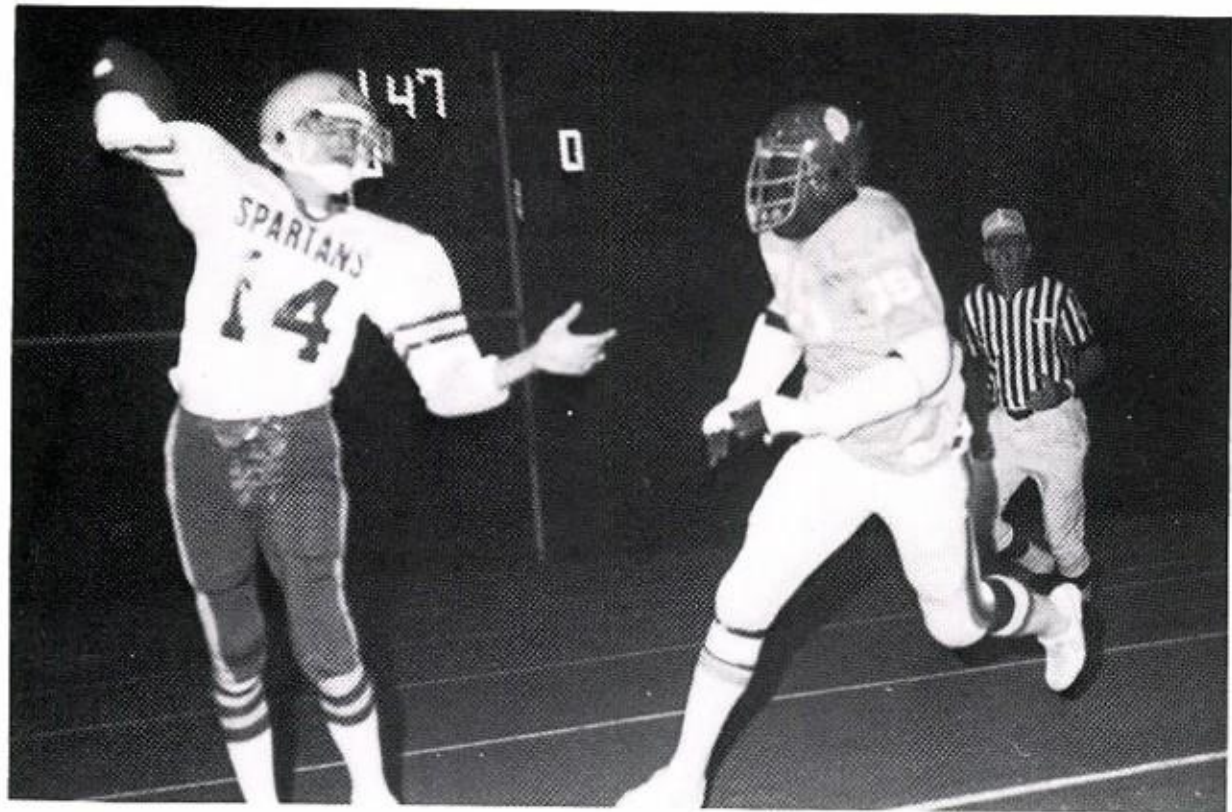

Spartans Suffer Final Loss To White

David Chandler kicked a 33-yard field goal to give the Spartans their only score in a 13 to 3 district loss to the W. T. White Longhorns at Loos Field.

White held a tight 7 to 3 lead through the first 3 periods of the contest. Penalties and turnovers haunted the Spartans through the entire game. A 42-yard touchdown pass with 9 minutes remaining in the game put the Spartans in a hopeless position, as the Longhorns handed the Spartans their third district loss.

Raiders Get Ambushed

Donald Kelly carried the ball 25 times for 113 yards and two touchdowns, leading the Spartans to a surprise attack victory over the Skyline Raiders.

Shutting out the Raiders was supposed to be as tough as riding a bike up Pike's Peak, but the Spartan defense controlled the game, by utilizing a strong secondary and holding the Raider ground attack to a minimum.

After the Spartan defense converged on the Raider punter before he could get the kick away, the Spartan offense took possession at the Raider 38. In ten plays the Spartans drove to the Raider two yard line and Donald Kelly scored his first touchdown of the night.

The final touchdown of the game came in the third quarter. The Spartan offense was caught in a crowded elevator, a fourth and one situation from the Raider 34. Donald Kelly guided the elevator smoothly to the ground floor with a 34-yard touchdown jaunt.

Tigers Get Lost In Spartans Jungle

Coming off a 14 to 0 upset victory over rival Skyline, the Samuell Spartans easily defeated the Lincoln Tigers 36 to 12.

The game was plagued by fumbles, interceptions, and over 200 yards in penalties, but the Spartan offense came alive to put up their highest point total of the year.

Davey Beard, Buddy "Juice" Fuller, and Donald Kelly each scored once, while Richard Allen reached paydirt twice as the Spartans racked up 350 yards total offense.

Ray Ellason, Kevin Lawless, and David Chandler each kicked at least one extra point, while the Tigers failed to convert the extra points after both of their touchdowns.

Spartan Fans Relieved By 3-Yard Plunge

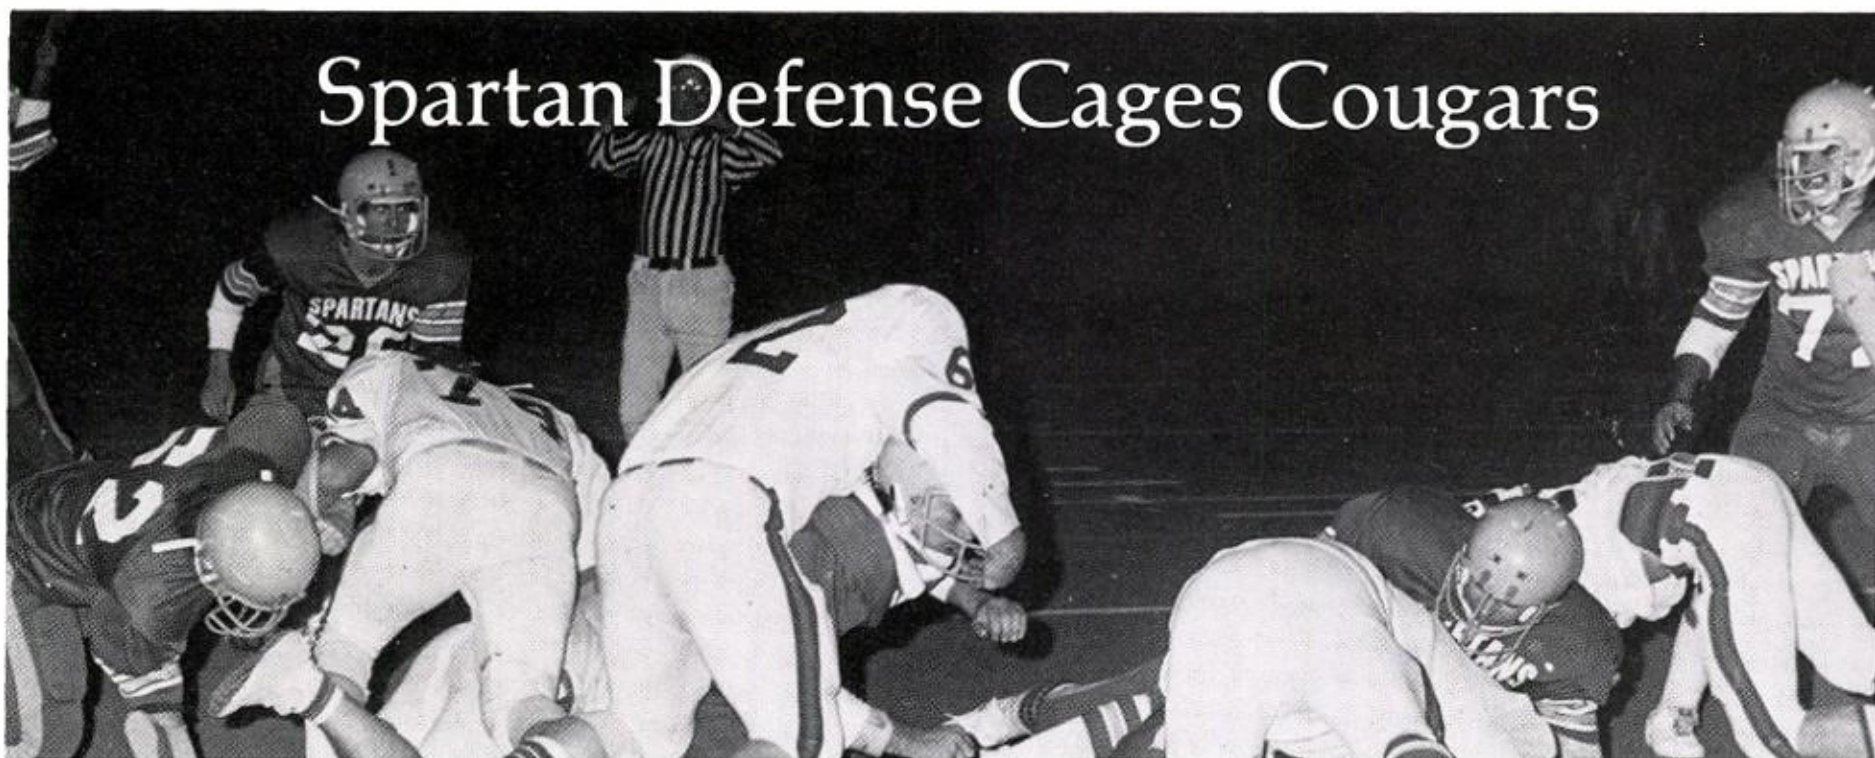

When the Spartans wrestled with the Wildcats of Woodrow Wilson, the outcome of the game was not decided until the final half minute.

The Wildcats scored twice in the first half, both on long touchdown passes. However, both extra point attempts failed. Donald Kelly got the first score for the Spartans on a one yard dive.

Samuell got another score stemming from an outstanding defensive play by Mike Long. Long blocked a Wildcat punt, which resulted in a safety against Woodrow. The Wildcats held the lead 12 to 9 until the final moments of the game.

The Spartans put together a quick drive, highlighted by five Richard Allen to Marcus Vickers passes for 37 yards. With 28 seconds remaining in the game, Donald Kelly eased the stomach and heart muscles of every Spartan fan by scoring from three yards out to give the Spartans a 15 to 12 victory.

Spartan Defense Cages Cougars

Even though the Spartans' 19-14 homecoming victory over the Bryan Adams Cougars was a team effort, Donald Kelly still managed to be the most outstanding player, rushing for 128 yards and two touchdowns.

The Cougars scored in their first possession of the game and held a temporary 7 to 0 lead. Mike Long pounced on a loose football at the Cougar 30 yard line to give the Spartan offense an easy scoring opportunity. Kelly's number was dialed and he answered with a 26 yard touchdown run.

Another aggressive defensive play gave the Spartans great field position. Greg Boyd recovered a Cougar fumble in Cougar territory. On a fourth down situation, the Spartans awoke the napping Cougars with a 10 yard scoring pass from Richard Allen to Marcus Vickers.

The Cougars still fought back as running back Kevin Woolridge raced 58 yards before Mike Bryant made a touchdown saving tackle. The Cougars scored quickly and held a 14 to 13 lead. In the third quarter, Richard Allen engineered a 78 yard scoring drive, using Kelly as his blueprint. Kelly carried the ball 16 times before he scored from 2 yards out for the final score of the game.

Arrows Reverse On Apaches

By scoring 22 points in the first half, the Spartans defeated the Spruce Apaches 22-17, concluding the season with a five game winning streak.

Without the services of Donald Kelly, the Spartan rushing game was still the team's strong point, totaling 280 yards on the ground. Leading rushers were Buddy Fuller, 125 yards, and John Price, 85 yards. Price scored the first touchdown of the game on a one yard plunge.

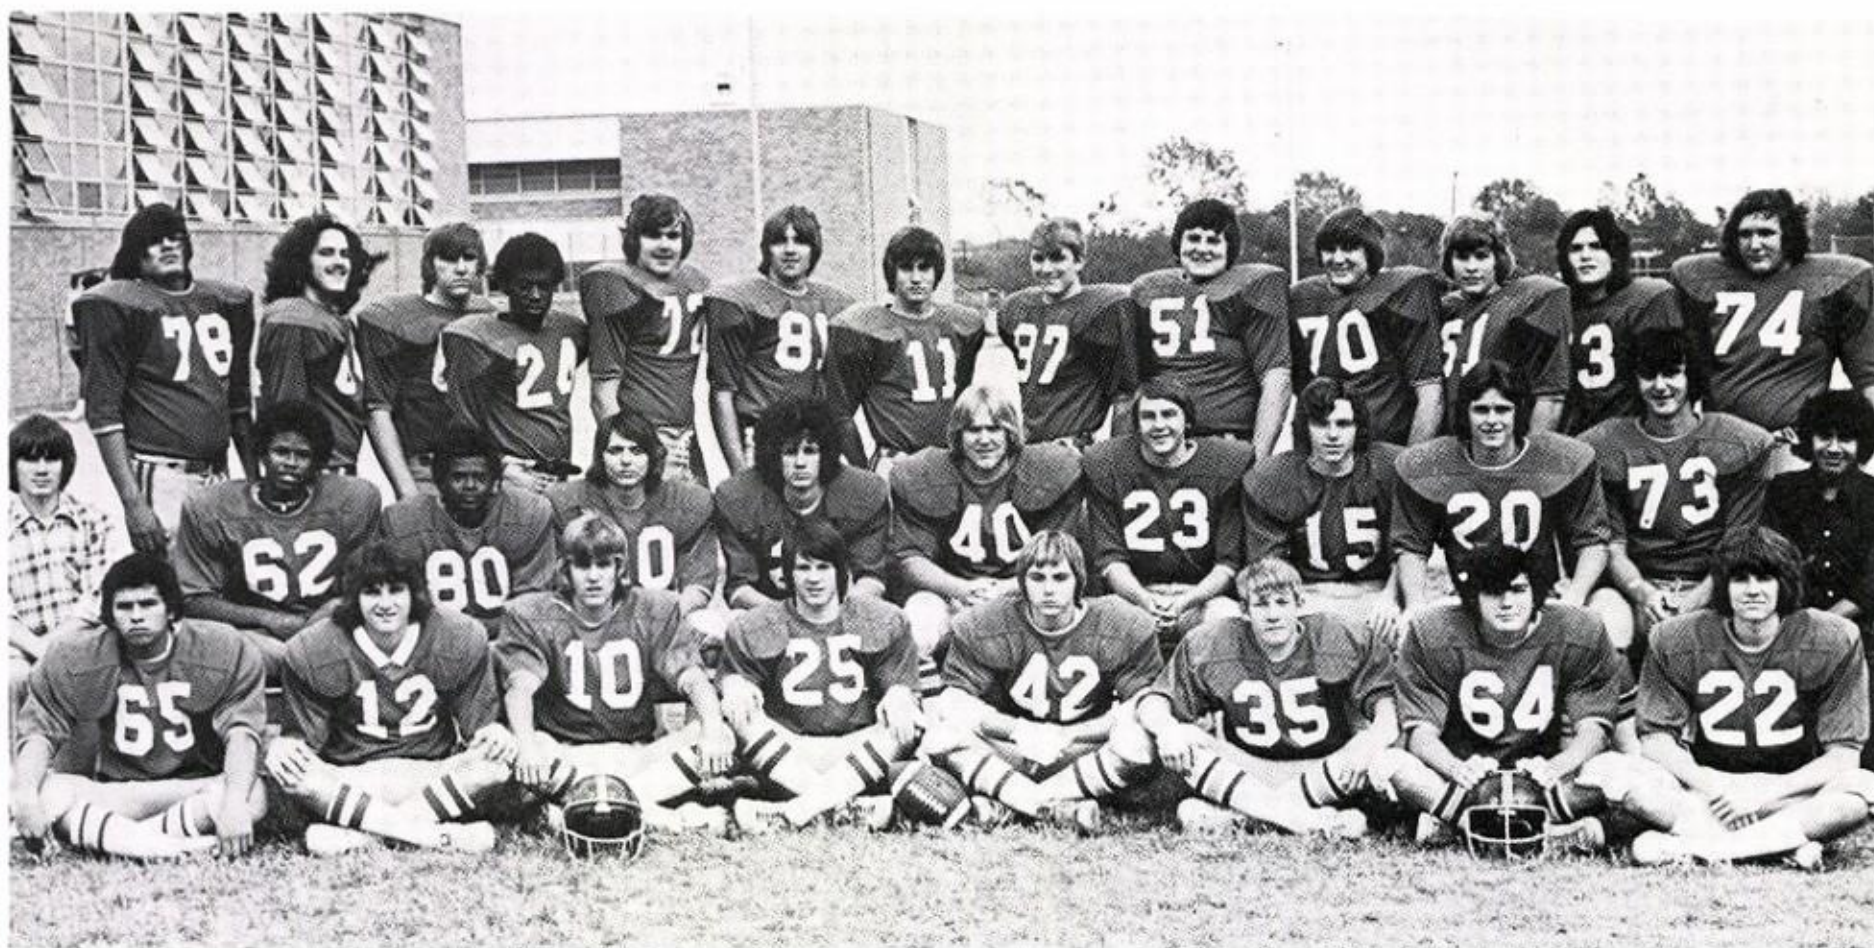

A slippery-handed Apache lost the football and Mike Long recovered for the Spartans at the Spruce 39 yard line. Richard Allen threw a long scoring pass to Ricky Walters, who had easily beaten the Spruce secondary.

Again the Spartan defense was the key to a score. This time Greg Boyd wrapped his body around a lonely football in Apache territory. Richard Allen scored the final touchdown of the year for the Spartans on a one yard sneak.

B-Teamers Show Talent

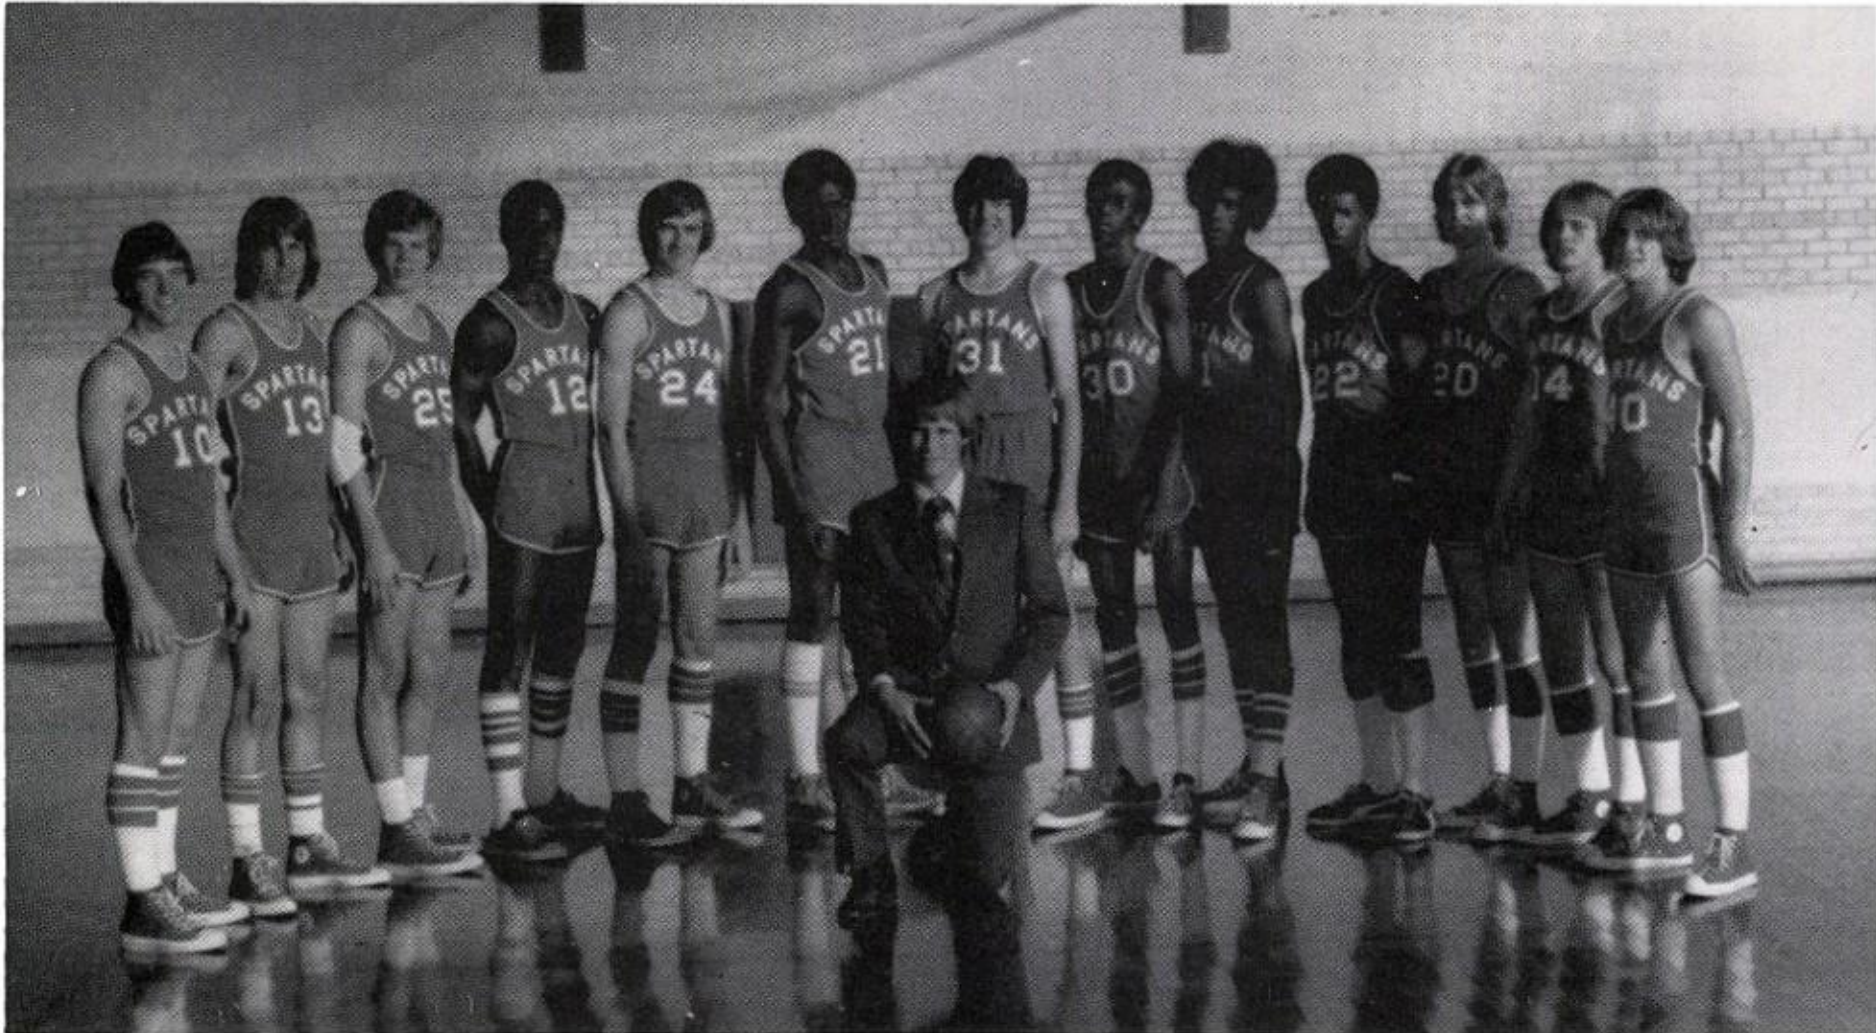

At the conclusion of the B-Team football season, the team found itself with the first losing record ever at Samuell. Three wins, four losses, and two ties will be put into the record book for 1975.

The defense showed great promises as the season started by holding its opponents to no more than a touchdown a game. But as the season wore on, so did the defense. In the last few games the defense fell apart giving up easy touchdowns.

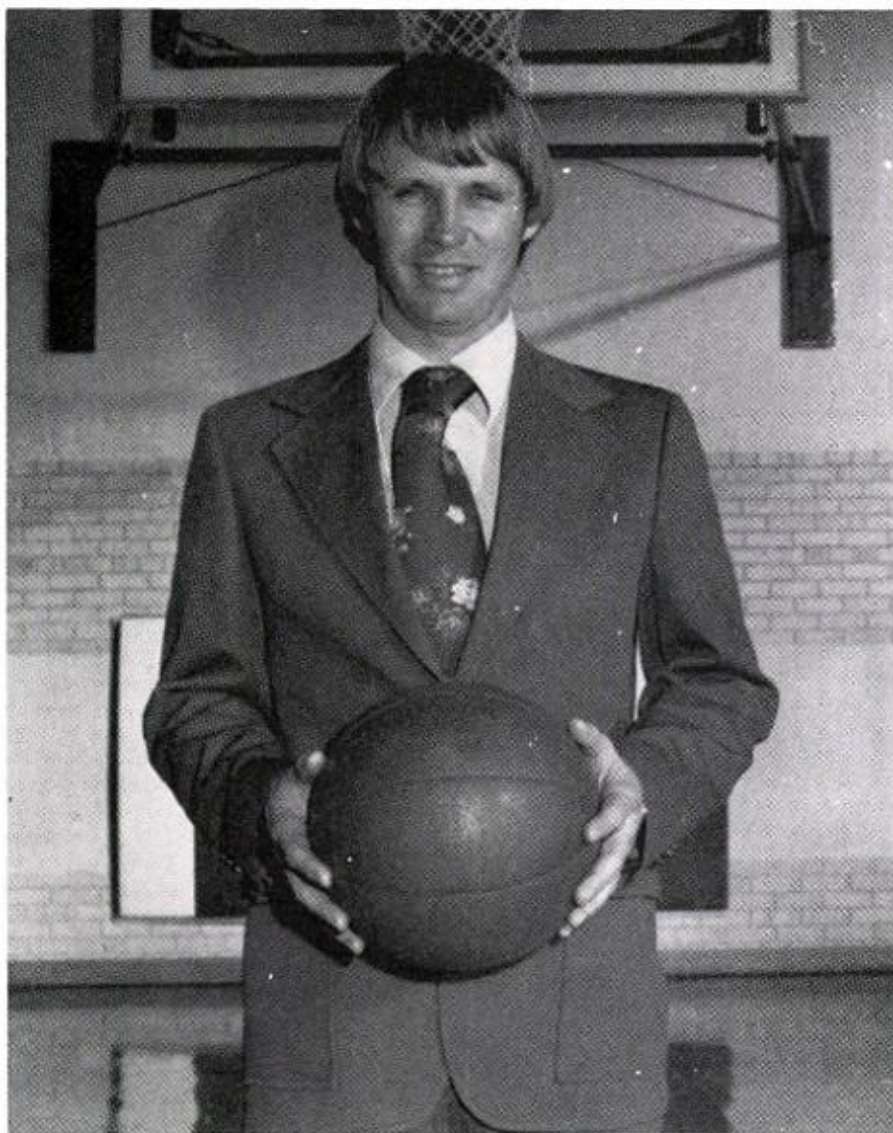

The offense stalled at the start of the season by being almost unable to score at any time. They generated themselves and began to rack up points. Just as the offense began to jell, the defense began to melt. A good indication of this was the final score of the last game of the season, Spruce 22, Samuell 21.

It might have been a losing campaign for the players, but they showed great talent and should continue to impress others as they put it all together on the varsity.

Tournament Success Paces Winning Season

Coach Doug Scott led the varsity basketball team to a 26-10 overall record, and an 8-4 record in district competition.

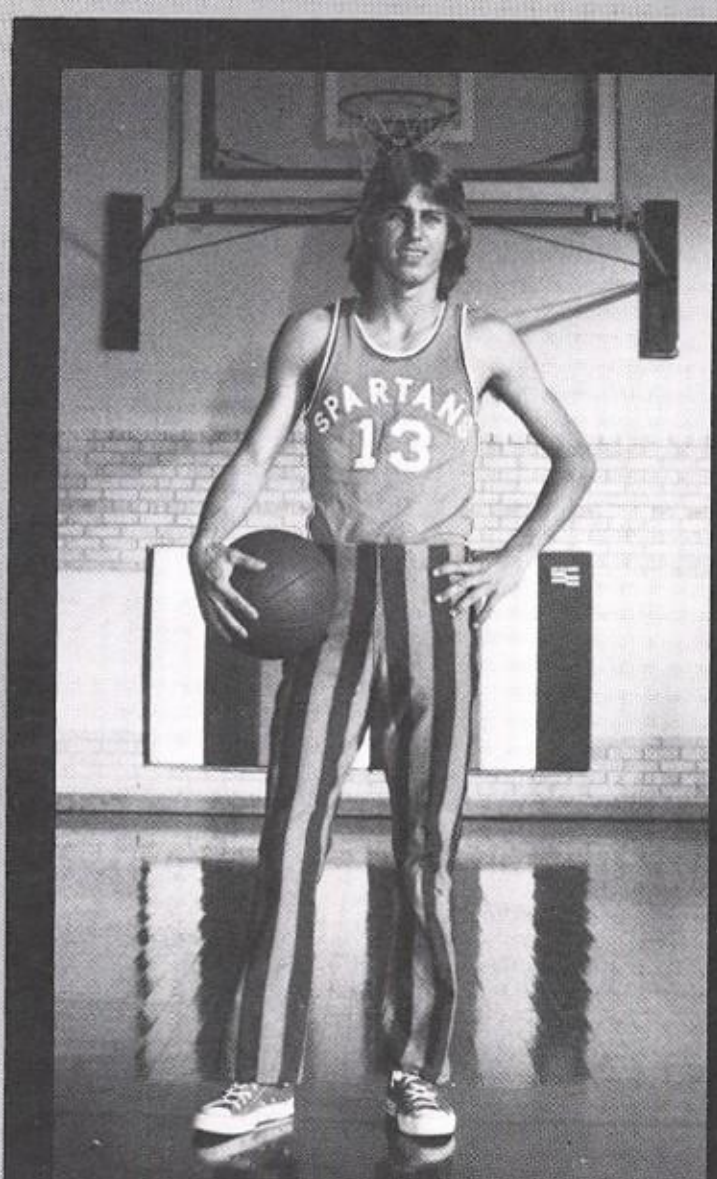

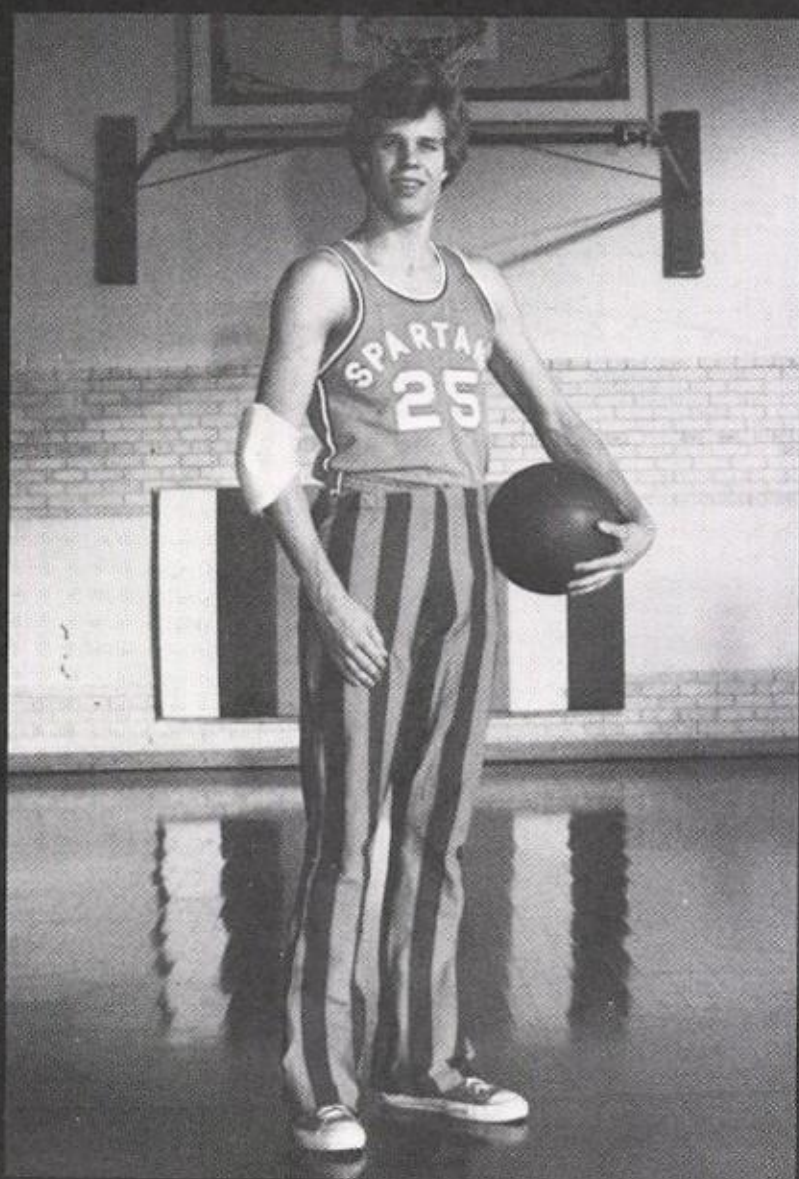

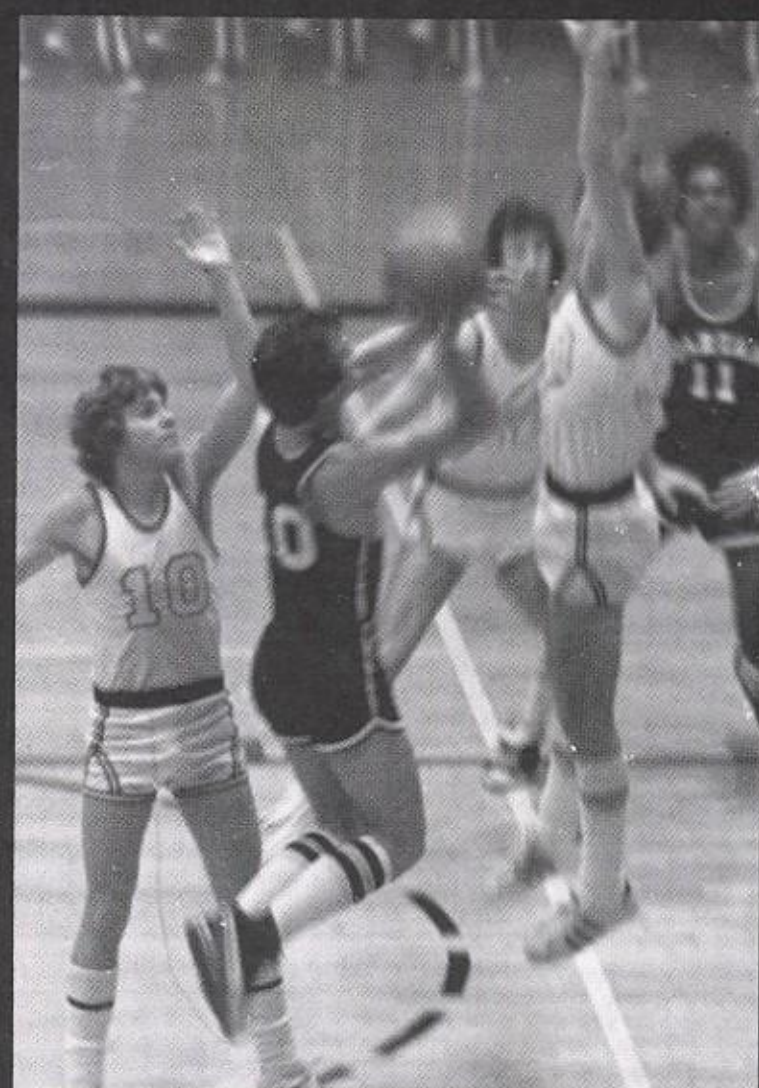

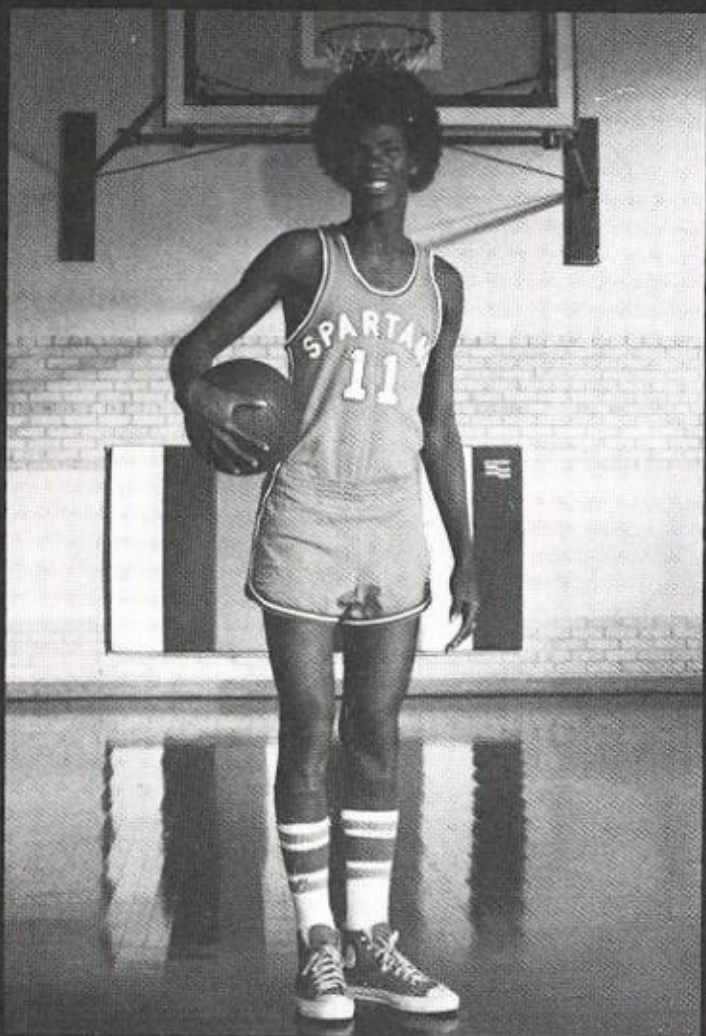

The Spartans competed in three tournaments. In the Arlington Classic, Samuell finished in second place, behind South Oak Cliff. Samuell defeated Houston Wheatley 78-70, Arlington Sam Houston 48-47, and Carter 102-82, before losing in the championship round to SOC 87-64. The Spartans' 102 points against Carter set a new school record for the most points scored in a single game. Ronny Moore and James Banks were selected to the all-tournament team and Coach Scott was named the outstanding coach of the tournament.

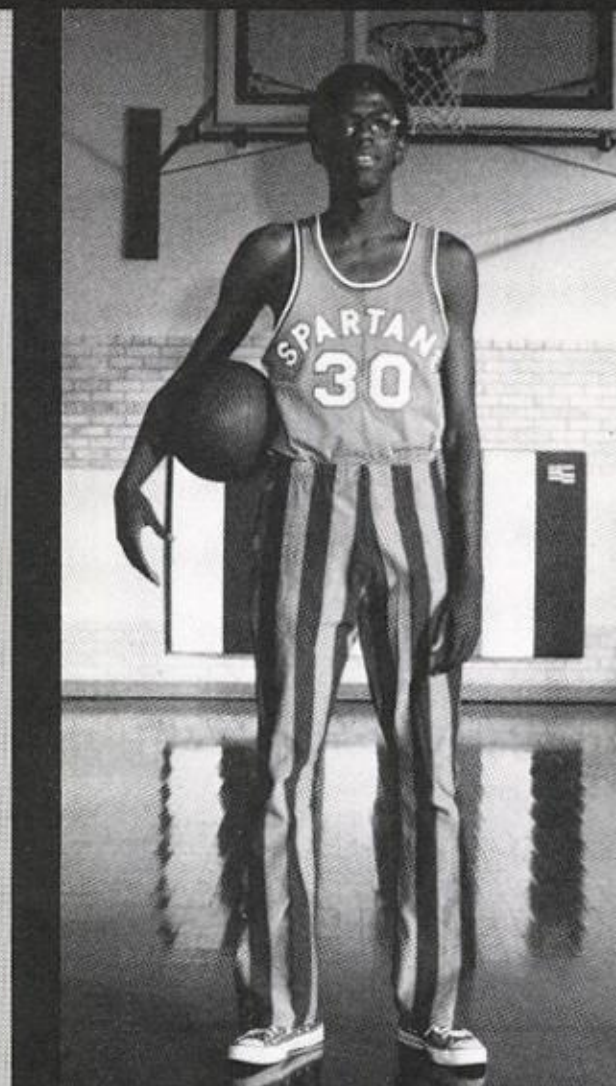

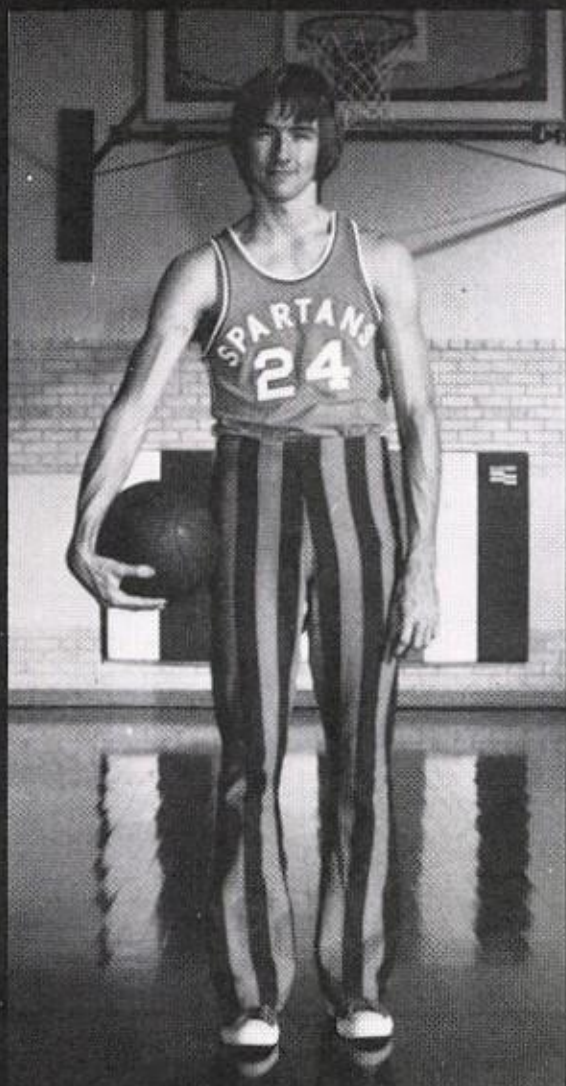

Samuell defeated R. L. Turner, Lincoln, and Bryan Adams to win the R. L. Turner Tournament. Ronny Moore, Billy Walton, and Leonard Gibson were named to the all-tournament team.

Samuell won the annual Dr. Pepper Tournament held at Forester Field House. The Spartans defeated Rockwall, North Dallas, and North Mesquite for the championship. Ronny Moore was again voted to the all-tournament team and Leonard Gibson was named the most valuable player of the tournament.

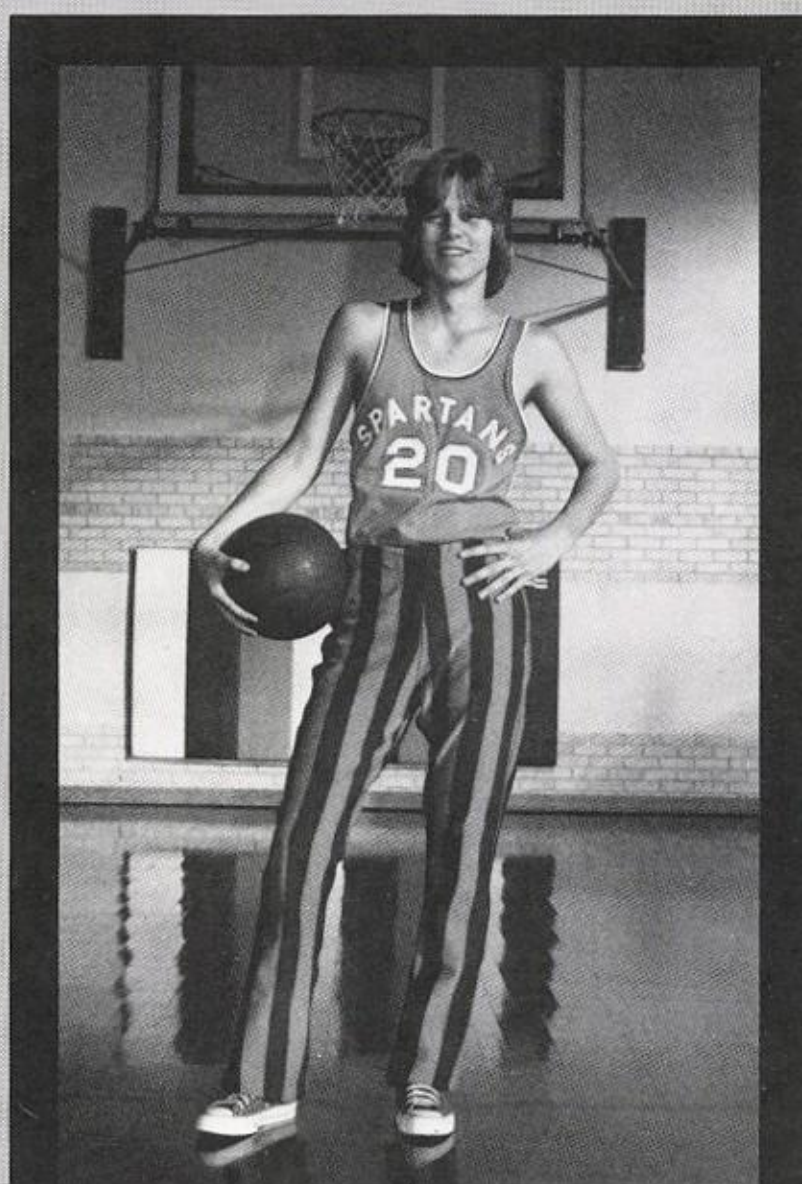

Samuell won the District 11-AAAA championship by defeating Woodrow Wilson 57-49. The Spartans lost the city championship to South Oak Cliff in overtime 76-75.

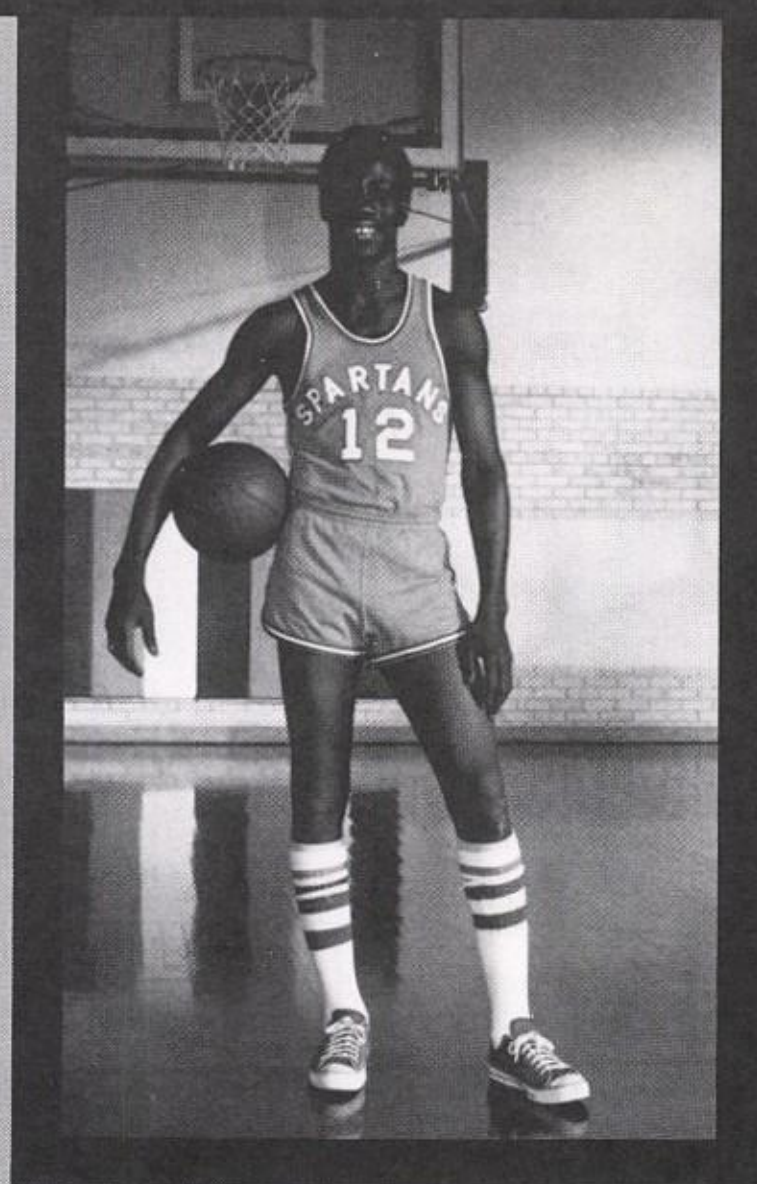

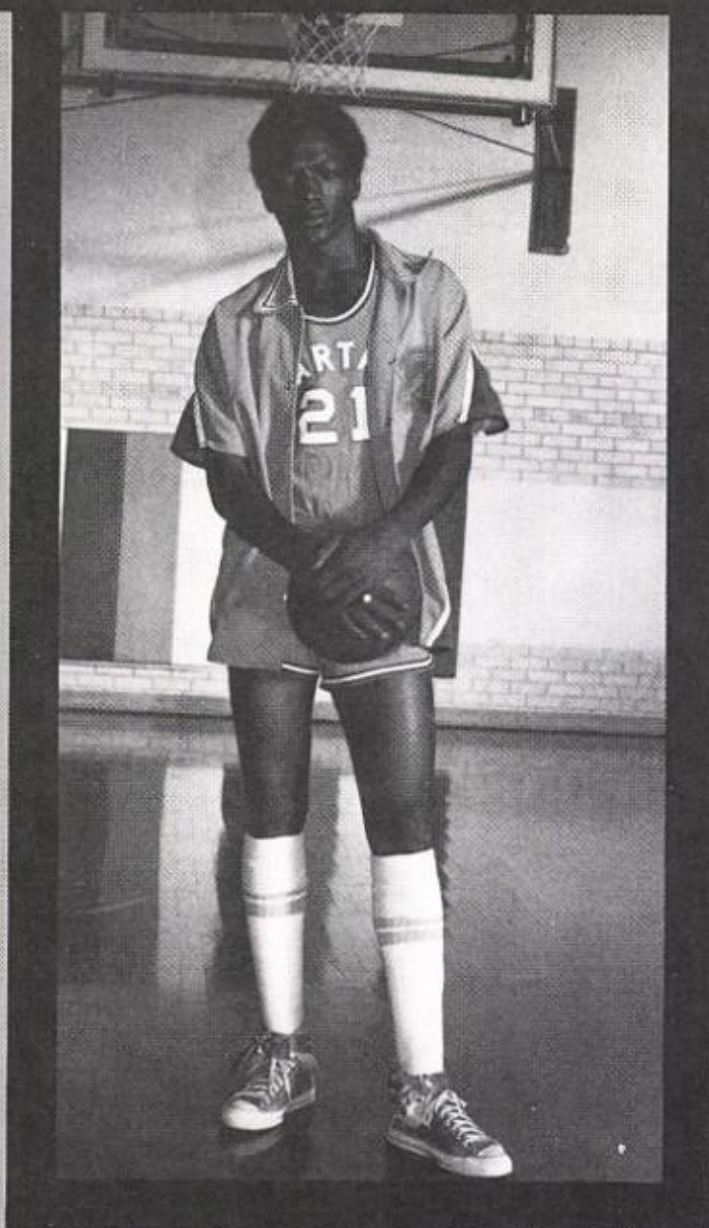

Ronny Moore and Leonard Gibson were both named to the 11-AAAA All District Team.

COACH

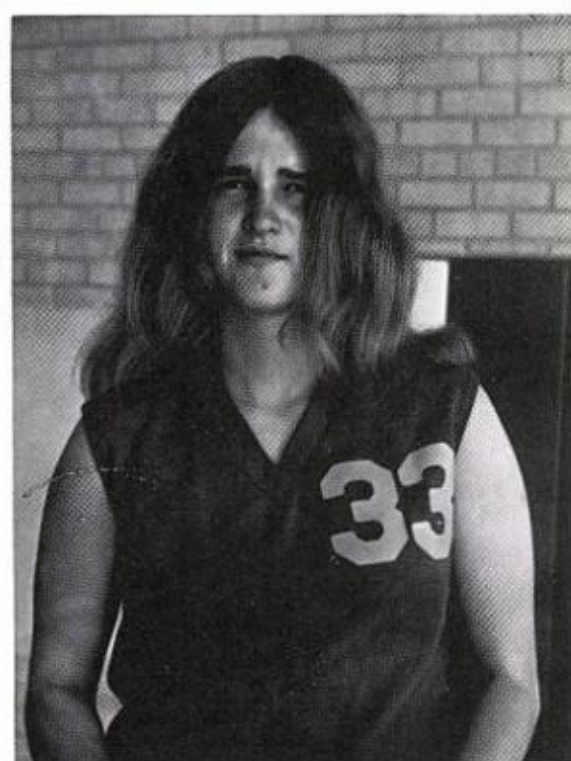

Kim Allen

Debbie Dupree

Although the volleyball team had only three district wins, Coach Stafford felt the season was an over-all success, considering she coached a young team. Donna Hicks was the outstanding spiker for the team, and Patti Morris and Lisa Pound were noted as the best setters. Coach Stafford and the team would like to thank the Blue Jackets for their continuous support throughout the season.

With a strong 3-2 pre-season record, the girls' basketball team fell short of their goal. They battled through the season, falling short of their hopeful outcome. Outstanding players for the team were Lisa Hart, Lisa Ragsdale, and Tammy Horton, who was also high scorer in most of the games.

"Knowledge is a light, enriching the warmth of life, and all may partake who seek it out."

Educator

"Every year brings special rewards to those of us on the staff who have worked with the young people. This year has been no exception. It has been an unusually good year. We have had our problems and disappointments, but the accomplishments have been so many that we have forgotten the unpleasant things that have happened. The Bicentennial Class of W. W. Samuell has set such high standards that we may never be able to equal them again. Those of us who are to return will always strive to live up to the example you have set. We wish for each senior of 1976 the best of everything and continually pray for God's blessings upon you. We ask you to remember those Spartans of future years and keep us always in your prayers."

People Caring

Bethany youth really do care and "concern" is the attitude Bethany people take toward all the young people of Pleasant Grove.

Bible study, music, retreats, mission action, revival teams, fellowships, tours, and recreation are all a part of the vibrant youth program. Mature Christian adults make up the leadership team, including a full-time Minister to Youth.

One young man said he had found "a whole new way of life at Bethany." It's an opportunity for youth to care about their own future and about other people through planned, guided programs of Christian service and growth. Truly, Bethany is people caring for youth, caring for people.

The noontide is upon us and our
half waking has turned to fuller
day, and we must part.

If in the twilight of memory
we should meet once more, we
shall speak again together and
you shall sing to me a deeper
song.

And if our hands should
meet in another dream, we
shall build another tower
in the sky.

The Torch Staff would like to attribute quotations throughout the book to the wisdom of

Susan Nevil Returns From Year Abroad

Susan Nevil, who is one of the few Samuell students to go abroad as an American Field Service (AFS) student, spent most of her senior year in Argentina. This year was spent in San Juan, which is on the border of Chile. Susan discovered that life in Argentina is very different than in the U.S. but feels that being an AFS student has "got to be the most rewarding experience."

Scenes
from
"Molly"

Donnie Roach and Barbara Brock took their bow as the curtain closed to the "Unsinkable Molly Brown." With the aid of the cast and the direction of Clements B. Crook, the Concert Choir succeeded in performing another outstanding musical.

The play is based on the story of an illiterate girl from Hannibal, Missouri, who married Leadville Johnny Brown, discoverer of one of the richest silver mines in Denver. The story goes on to tell of Molly's ambitions of acceptance to the Denver Society and finally to the sinking of the Titanic which explains why they called it "The Unsinkable Molly Brown."

Senior Prom Celebrated in Style At Royal Coach Inn

The Castle Ballroom was filled with happy conversation.

The highlight of the year for the graduating class took place Friday, May 7. The Senior Prom was held in the Castle Ballroom of the Royal Coach Inn. With the pleasant atmosphere and all the fine apparel, this event topped all activities for many of this year's seniors.

A wide variety of music for the evening was provided by a group, known as "Eakin' Frouiti." As the prom progressed, more couples took to the floor, performing their own version of dances, from the "jitterbug" to the "bump."

The traditional Grand March began the program, with Julie Thomas and Ray Ellason serving as Mistress and Master of Ceremonies. Following the march, Peggy Stone and Susan Morgan announced the Senior Favorites.

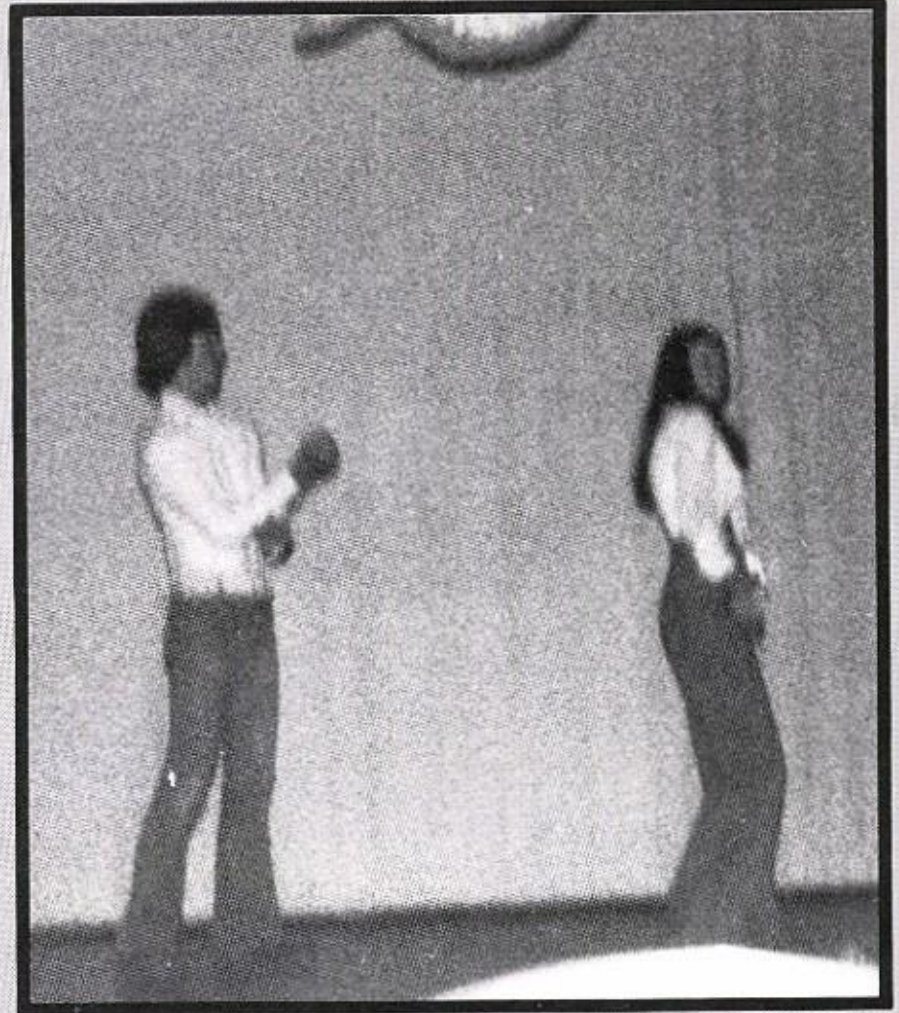

"And they say that we don't know how to dress."

Senior Day Is Seniors Last

As a tradition of the graduating class, Senior Day began with the announcement of honors. The students receiving college scholarships, graduating with high honors, and honors were recognized. Following this a variety show was presented by the senior class to the parents and the student body. The masters of ceremonies were Richard Nunley, and Ray Ellason while Kathy Rener directed the show.

Among the many acts were skits, a guitar solo, singing and dancing. To end the show the seniors joined together to sing the Alma Mater for the last time.

Following the show the seniors met at Country Dinner Playhouse to eat and enjoy the musical, "Fiddler On the Roof."
